If you were to pick a word to describe Schurr High, you couldn't pick a better one than "alive". From the football field where we defeated Hart's Indians to C216 where Mr. Barrett's class interpreted novels, Schurr students certainly have shown they are alive. This desire to be active, involved, and successful has made our school one of the best anywhere.

To the seniors, we say it's been a pleasure sharing these great years with you. Continue making us proud of you. To the juniors, sophomores, and freshmen, give of yourselves and get involved. It is this quality that makes "Schurr Alive".

CLUBS

Schurr 'Live' Begins in B15

This year, the Annual Staff chose "Schurr High Live" as the theme for Spectrum '83. The Annual Staff was a service to the school by putting out the eleventh volume of Schurr's yearbook.

For the first time in Schurr's history, the Annual Staff was headed by two editors-in-chief, Nina Miyaji and Christine Une. They both worked hard to teach the unexperienced staff members how to put an annual together. The staff learned the basics of selecting pictures, designing layouts, writing headlines, and writing copy.

Last summer, Miyaji and staff member Cindy Tamashiro attended a summer camp so they could report back on how to make a good yearbook. In the one week they were at Westmont College in Santa Barbara, they attended six classes a day which included how to pick

themes and design good layouts.

In order to solve the financial problems of sending Julie Sakamoto, who competed in the copy and captions competition, and Edie Ung, who competed in the layout competition, to the Journalism Educational Association National Convention in Seattle, Washington during April, the annual staff held a number of fundraisers which included bakesales, See's sucker sales, Bunny Gram sales, and a sale of the 16-page supplements to last year's annual.

Several members on the staff also went to the Southern California Regional Write-Offs at Alta Loma for another competition during the month of May.

Miyaji remarked, "Even though we started from scratch with unexperienced people, we still came through. I'm just glad that it's all over."

Panoramic

Labeled an "on-campus service club", the Panorama Club actually performed more services to its own members than to the campus.

Panorama Club was headed this year by President Grant Imai and Adviser Sue Pistole. Assisting Imai and Pistole were Richard Kim and Vickie Sill, vice presidents and Craig Stone, secretary.

This club was notorious for playing one game: "Origins of World War II." This is a strategic game in which each person represents a different country, and depending upon the different natures of situations brought about by the "countries," they may or may not "go to war."

Concerning activities, the members do "whatever they want to do." One activity that the Panorama Club faithfully performed was to celebrate each member's birthday at Farrell's Ice Cream Parlor.

Ung and Yvette "Playgirl" Betancourt let everyone see their crazy but spirited side (5) Discussing fund raisers with Nina Miyaji, Julie Sakamoto does not like the idea of spending her lunch at a bake sale (7) After everything has been turned in for the final deadline, Nina Miyaji gives a sign of relief.

Duffey's Dilemma: Too Much Loot

Under the experienced leadership of President Harold Duffey and the advisor, Malcolm Lincoln, the United Student Body Government boosted school spirit.

The U.S.B. year started off with a smashing Spirit Week that outdid all previous years' spirit activities for Homecoming. U.S.B. also approved several new clubs in addition to sponsoring the computer dating service. In March, a talent show was organized by U.S.B. to raise money for the March of Dimes.

But all wasn't sugar and spice for U.S.B. They also had a problem at the beginning of the year, because the treasury exceeded the \$35,000 maximum amount allowed by the school board. To reduce the excess money, U.S.B. spent the money on Homecoming, extra tables and benches for the Senior Park, and a large donation to the March of Dimes.

During the U.S.B. Government Class, the

U.S.B. officers were divided into three groups: the Clean Campus Committee, the Kiosk Committee, and the Posters and Banners Committee. The Clean Campus Committee did things that pertained to how the school looks by thinking of what might be purchased to improve the campus. The Kiosk Committee did things like posting up announcements in the kiosk, and the Posters and Banners Committee put up signs. Every Wednesday, all of the officers got together for an executive council meeting to discuss issues and ideas brought up by the officers to help the school.

The U.S.B. officers assisting Duffey were Pauline Afuso, vice-president; Richard Kim, secretary; Vernon Takeshita, director of activities; Julie Naito, treasurer; Craig Stone, historian; and Nancy Ledbetter, pep commissioner.

Wizards of Wood

With school improvement in mind, Schurr's branch of the Vocational Industrial Clubs of America (V.I.C.A.) planned a landscaping project and did the initial planning for building benches in the shop area, where the members planted flowers a few years ago. The project will be aided by U.S.B. money.

With Bill Whitmore's and Walter Witt's help, members were prepared to participate in the V.I.C.A. Skills Olympics in which students performed different industrial skills in front of judges. Winners went on to the V.I.C.A. State Leadership Conference, a convention of the V.I.C.A. clubs in California. Money was raised for this by holding various fundraisers.

Whitmore described V.I.C.A.'s purpose as providing a "quality leadership program with an emphasis on an outstanding industrial education program."

Viva la France!

With its members affectionately known as the "Frenchies," the French Club was one of the newly formed clubs on campus this year. Supervised by Advisor Linda Zerbib, a native of France, the club was headed by President Anne Echeverria, with Vice president Miwa Harvison, Secretary Barbara Stearns, and Treasurer Cathy Inouye also contributing.

Some of the club's numerous fundraisers were baked goods, like French croissants sold at Basketball Homecoming, and a t-shirt sale. Profits went toward an outing to a local French restaurant, and buying posters to decorate the room. Another activity in the French Club included "pen pal" writing to high school students living in France.

To become a member of this exclusive club, a student had to have taken French as a foreign language in the past, or been presently taking it.

East Meets The West

In order to maintain their Chinese heritage, the Chinese International Club was formed. Meeting twice a month, the group's main purposes were: to aid new Chinese students in adjusting to Schurr, and to continue speaking their native language.

Under the guidance of Advisor Jennie Kao, this year's officers included: Nancy Tse, President; Sun Yuet Ng, vice president, Oliver Yang, secretary; and Kelly Wu, treasurer.

To support activities outside of school, such as a picnic at Legg Lake and an awards banquet bestowing scholarships to the senior members, the club conducted a number of fundraisers. Such fundraisers included: selling M&M's, holding bake sales, and selling fried rice, "sui my," almond jello, and ice tea on Spirit Day.

When asked about why she chose to lead this culturally based group, Tse replied, "We all participate, and all the members really get involved and work together."

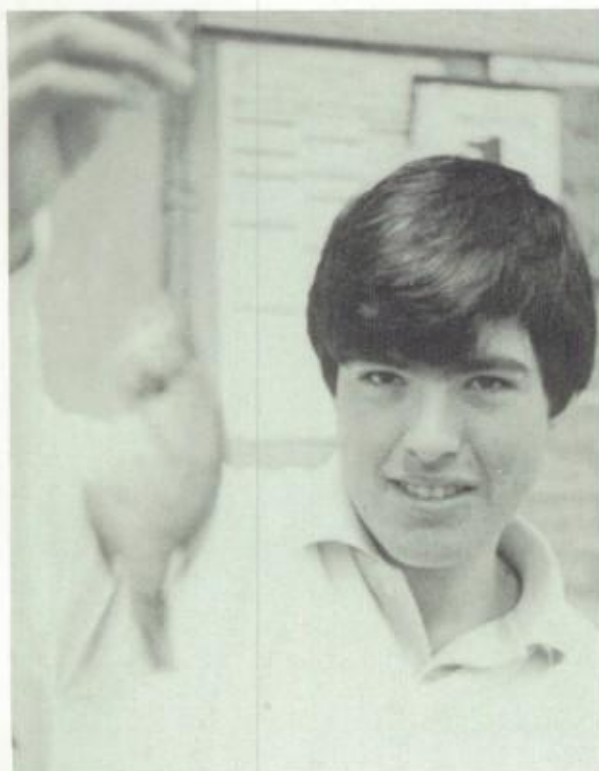

Nothing Fishy Here!

"Patience, experience, and a lot of luck," exclaimed Mr. Jacob Torosian, advisor of the Fishing Club, "is all it takes to hook the big one!" Consisting of 20 avid fishermen, this year's club traveled all over the southland. One of their first excursions was to Anaheim Lake where the sportsmen enjoyed the day aboard one member's 50-foot boat. In June, the club members tested their luck in the Pacific Ocean with a charter boat trip off Dana Point. They were rewarded with catches of both sea bass and bonita. This last ocean trip con-

cluded a successful year of outings for the fishing club.

"Checkmate" was the word that denoted victory in the fierce competition between Chess Club members. Every Friday in the student lounge, students gathered to test each other with guarded moves of the chess pieces. Some of the Club's goals were to improve each player's strategy, to initiate a four-player chess board, and to compete against other schools. The club was headed by President Thomas Mayeda and advised by Mr. Malcom Lincoln.

Rookers and Hookers: (1) **Chess Club:** (Clockwise From Bottom Left) Chris Perez, Stanford Harada, Daniel Calva, Thomas Mayeda, Mr. Malcolm Lincoln, adviser, Damian J. ON LAND AND SEA

The Sailing Club and the Bike Club may seem completely different because the Sailing Club is for sea faring people, and the Bike Club is for land lubbers, but the clubs do have one thing in common; the members of the two groups are out to have fun.

Gaining experience in sailing and exploring, and enjoying themselves, the members of the Sailing Club took several sailing trips this year. Advisers Fran-

cis Abbott and Jim Haskins aided the sailors in learning the skills of sailing.

Members of the Bike Club, a newly established organization, had their share of the fun by riding to the Doo Dah Parade in Pasadena, among other places. This club, headed by adviser Joy Phillips, was organized for interested cyclists who want to improve their skills in cycling.

Asian Invasion

Beginning its 11th year, A.S.I.A. Club started with an impressive 75 member roster. Meeting on Thursdays after school, the club offered its members the opportunity to join, and to be involved in a prestigious organization without the problems associated with larger clubs.

Advised by Julian Olague and Jeanette Cho, A.S.I.A. Club sponsored their 1 annual Won-Ton Booth during the Football Homecoming festivities, as well as a "Send-Your-Valentine a Carnation" booth during the Basketball Homecoming festivities. In addition, members sold "Cuddly Koala Bears" and "Sherlock Basset Hounds" during December to aid last minute Christmas shoppers while also raising money for the Club. During the Sadie Hawkins Dance, the club sold lemonade to raise money to donate to Mr. and Mrs. Gene Gable's home, which was destroyed in one of the many rain storms this year. "We wanted to make this year a little different," expressed Treasurer Philana Chow, "We've done more this year than any other year, and that's great!"

This year's officers were Tod Wakamatsu — president, Wayne Yee — Vice-president, David Masutani — Secretary, and Philana Chow — Treasurer.

The Pepperbelly Gang Does It Again

Throughout this year, the Friends of the Library Club has promoted interest in the library in innovative and entertaining ways. The cadre of library enthusiasts started off the year with their annual Homecoming Pepperbelly sale where, once again, they sold out to the hungry Spartans. November was marked by another big event — National Book Week. With the theme "Wheel-in' to Reading," various clubs and hobbyists were invited to put on displays. Additionally, awards were given for the various "Wheels" contests winners including two passes to the Malibu Grand Prix to Robert Leon for winning the ugly bike contest, a bag of 50 tokens to a local arcade to Roger Miyakawa, and the Best Car Award Trophy to Ellen Domme.

During the month of December, the Friends of the Library concentrated on spreading goodwill to others. First, they visited a retirement home and distributed 130 handmade Christmas decorations and poetry booklets. Then, they started a tradi-

tion with a Christmas Toy Drive; the first attempt was successful and all the toys collected went to local families and the Salvation Army for distribution to needy children.

In February, the month of romance, the Friends sponsored various contests dealing with a broad definition of romance. They initiated a romance story writing contest in which prizes were given to the first, second, and third place winners in each grade level. Awards included a ten dollar record gift certificate, a five dollar book certificate, and a paper back book. The overall best story was awarded second prize sweepstakes trophy and was published in the "Oracle." Winners of the other contests received two passes to Malibu Grand Prix, two passes to a Mann's theater, and a puzzle.

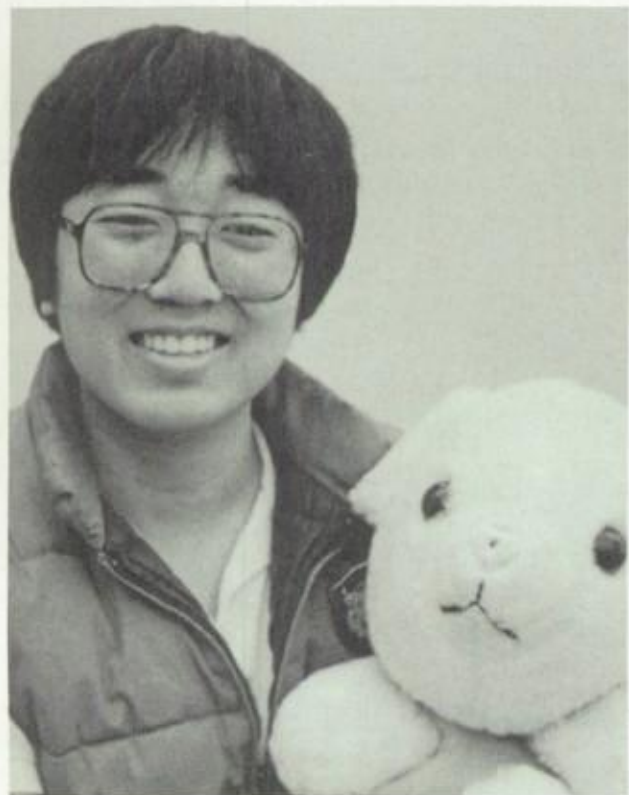

Women's History Week was their March event. They invited women speakers to talk on various topics. As usual, the club sponsored contests and displayed library resources related to the theme.

Friends of the Library's biggest event was National Library Week. Held April 18-22, the week was highlighted by Club Day during which campus organizations were able to display their accomplishments and publicize their clubs, and the traditional hobby show.

The club's last school event was the annual Science-Fiction Week co-sponsored by Beyond Terra Club. Its purpose was to present the Science-Fiction/Fantasy genre through interesting displays and video tapes.

The year was topped off with a club party, a musical, and a presentation of scholarships to worthy seniors of the organization.

This year's officers were Helen Ligh — Chancellor, Jennifer Wada — Vice Chancellor, Barbara Mares — Secretary, Cristeta Lozon — Treasurer, Jan Hiura — Historian, and Jinny Santos — Director of Archives.

Off the Wall

Green cookies, LED's, gold contact lenses and Zaphod Beeblebrox are symbols for this year's Beyond Terra. Unlike previous years, Beyond Terra of 1983 has more seriously devoted its energy to the pursuit of science fiction.

This change may be due to President Vernon Takeshita who has led his club on many excursions. This included trips to Hollywood and Westwood to see films such as "Creepshow," "Dark Crystal," and "The Revenge of the Jedi," and a trip to the Ackae Museum, one of the most famous science fiction museums in the world.

Yet, it was the members energy and spirit that has contributed most to the atmosphere and theme of Beyond Terra. An increase in membership this last year has reflected a marked interest in science fiction at Schurr.

The climax of this year's activities was the annual Science Fiction week held in May. During the week, a Spartan could watch movies, listen to tapes, and see book displays, computer games, and collections.

Under the supervision of advisers Bob Crouch and Mike Lopez, the Cinemovie Club began a productive first year in video production.

Their weekly Monday meetings, led by President Derrick Noritake, involved planning for upcoming productions and listening to guest speakers, including a representative from Falcon Cable TV and speakers on movie making. When making videos, the members were in control of all aspects of production including camera, writing, directing, and acting. Moreover, the sophisticated equipment in the audio visual library was made available to members.

The club's ultimate goal this year was a 30-minute skit in which the young producers took control. "This year was only our first," explained Treasurer Gary Ogasawara, "and next year we plan to make a full-length production and 5-minute skits to be shown on cable TV. We are planning to become more active in the future."

The Cinemovie Club also plans to have its productions shown in the library, so the whole student body will know about the club, and be encouraged to join.

Team to Beat

After seven years, Schurr's silence was finally broken with the formation of the Speech Team under the direction of Coach Peter Fong.

The approximately fifteen-member team devoted four hours each Wednesday afternoon for Speech Team meetings. There, the members practiced speeches before an audience, critiqued each other's performances, and heeded Coach Fong's advice.

Inevitably, all the practice was not done in vain. Schurr's Speech Team soon became the "team to beat" by sweeping various novice tournaments all across the Los Angeles area. Other speech teams, some established over thirty years, found themselves unable to compete with Schurr's small but energetic orators.

Schurr sponsored its first speech tournament in February for over two hundred contestants. Coach Fong was aided by President Jenifer Wada.

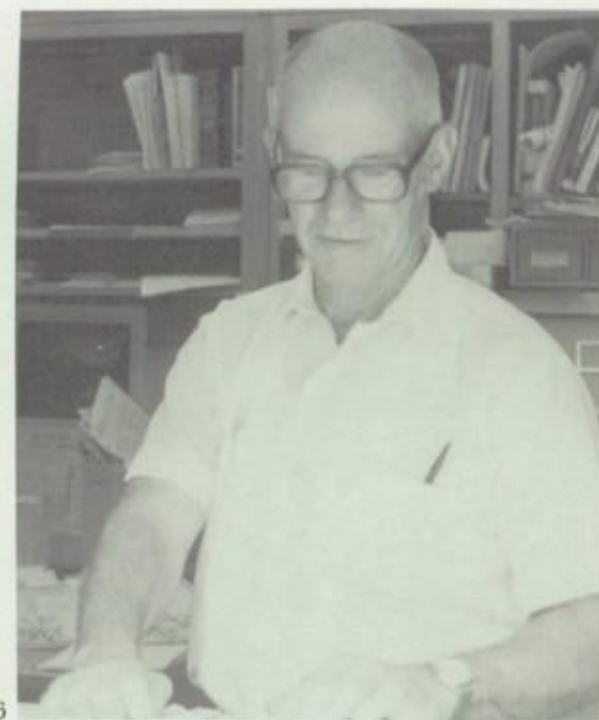

The Orators: (1) Proud of his winning speech, Vernon Takeshita gets the "thumbs-up" approval of Speech Coach Peter Fong (2) Reflecting about her just-delivered oratory at the Monterey Park Rotary Club Speech Contest, Jenifer Wada nervously awaits the judges' decision (3) Crowding around the Speech Team gets a pep talk from Coach Peter Fong after the competition (4) **Speech Team:** (Front) Jenifer Wada, Jan Hiura, Theresa Olmedo, Camille Romero, Barbara Stearns, Judy Hao; (Back) Vicky Esquenzai, Jeannie Quan, Coach Peter Fong, Vernon Takeshita, Joyce Arrastia, Michele Jang, Jinny Santos, (Not Pictured) Mario Munoz.

Mint Shop

Always hard at work pursuing their tasks, the Finance Office Workers played a most important role in Schurr's activities. They completed such ordinary tasks as selling school supplies, handling money for clubs, passing out pictures from dances, and near the close of school, juggling their day-to-day work with the overwhelming job of distributing class rings, caps and gowns, commencement tickets, and grad night tickets for Disneyland. Some of the workers even sacrificed their nutrition or lunchtime to help out Mr. Malcolm Lincoln, activities director.

For the convenience of the clubs and organizations, a storeroom was made available by the Finance Office. Materials used for making banners, floats, and improving the school were kept in the storeroom.

Advisor Malcolm Lincoln commented, "The Finance Office exists as a service to the school."

Of Sound Mind and Body

Never having any free time to do homework or to just sit around, the Library Staff Workers had twenty-six duties, provided by Librarian Mrs. Eleanor and secretary Mrs. Naomi Ewing. The jobs they performed, included shelving books, checking them out to students, handling the overdue fines, filing, delivering library materials to teachers, handling the mail and the school's magazines, and assisting in inventories.

To be on the Library Staff, one must have had at least a "C" in all of his classes, a good attendance record, an interest in books and reading, a good personality, and most important of all, the ability to put in a hard day's work in only one period.

Menor commented, "The students on my staff are hard workers. If I had twenty hard-working students, I'm better off then if I had forty students who only sit around."

Jogging "in flocks" on and off campus, the Roadrunners consisted of any student interested in running and members of the distance running team.

In the club's third year advisers Armando Marentes and Steve Terry aided the students in training to run in weekend races. They ran in a number of ten-Kilometer races within the community, including the Montebello Rotary Club 10K R Run and the Montebello Mart 10K Run.

While they had fun running, the Roadrunners were also helping others since the entrance fees went to such charities as the Leukemia Foundation, The Arthritis Foundation, and the Whittier Athletics.

Marentes explained that the club's purpose was "to get people involved in running for fitness. There was also a goal for each member to be able to run three miles nonstop." He also added, "I encourage more people to join."

We the People

The Pessimists' Chapter of the Junior Statesmen of America, headed by President Roy Gondo and Adviser David Lebow, was one of over one hundred fifty high school-sponsored Junior States chapters. Mike Itamura and Jeff Kung closely assisted Gondo and Lebow.

At meetings, the members held debates, speaker programs, and other non-partisan political activities. Through the J.S.A. organization, the group was better able to understand the complex problems facing us locally, nationally, and internationally.

Some of J.S.A.'s activities included attending a convention of J.S.A. chapters held at the Los Angeles Hyatt Regency and a three-day convention in Sacramento.

Fundrasiers helped defray the expenses of attending these costly J.S.A. functions. Members sold Straw Hat Pizza at lunchtime and Peanuts. Leftover money went to scholarships for senior members.

Mighty Pen

With all the deadlines and last-minute preparations, the Spartan Scroll Staff, aided by Mrs. Wellenstein, endeavored to publish a bi-weekly newspaper covering the latest campus news and events.

As for competitions, the scribes again entered the spring East Los Angeles Journalism Education Association Write Offs held at Wilson High School in Hacienda Heights, holding high hopes of retaining their championship status as the defending sweepstakes champions.

During the course of the school year, the writers sponsored many activities to help fund the cost of traveling to the Journalism Educational Association Convention held during April in Seattle. Such fundraisers were the selling of Helen Grace Christmas candy, Dakin stuffed animals, and Culpepper's popcorn. As the year drew to a close, the scrollers were awarded with "Quill and Scroll" member pins and other writing acknowledgments at their annual banquet.

Samaritans

This year's Interact Club boasted sixty-seven members. Every Wednesday, members spent their nutrition discussing future ventures. As a rule, Interact brainstormed new ideas for special projects or fundraisers. President Jimmy Peralta stated, "I think the club is very active, and we have a lot of members who are really interested in the club. We take our business seriously."

Along with donating club money to aid the needy, Interact again sponsored its annual Christmas canned food drive. With the help of each homeroom, interact collected over 3,300 cans, exceeding last year's total by over 1,000 cans. Charles Canale's class topped all classes to win the fifty dollars prize by accumulating 960 canned foods to help the needy have a merrier Christmas.

Interact also sponsored a blood drive in March in affiliation with the Rio Hondo chapter of the American Red Cross. In addition, they had several fund-raisers such as bake sales and car washes, and they assisted the Montebello Rotary Club by participating in its 10K run.

Advisor Mrs. Cheryl Portillo commented, "I have enjoyed being the advisor of the Interact Club for the past two years. I think the students involved in this group are very special people."

Dedicated to sharing the most precious person in their lives with their fellow students, Campus Life members provided Bible Studies twice a week. The regular meetings hosted a variety of topics ranging from the Gospel to friendships. These messages were given by Richard Garcia, a Cal State Long Beach student. The New Life in Christ Bible Study was also formed this year to guide those who had recently asked Jesus to be a part of their lives. Co-advisors Walter Witt and Wilbur Raisner led these small group studies.

In addition, the 70-member organization, also co-advised by Miss Evelyn Maxwell, sponsored the film "Heaven's Heroes." During the second semester, they hosted a week-long series of Bible studies with guest speakers talking on the theme "The Party's Over . . . Now What?" They also had afterschool get-togethers, and weekend outings to the San Gabriel Mountains, parks, and skating rinks. President Ricky Terrazas reflected on the past year by saying, "It was very successful. I am sure that those who have been involved have received something very valuable." Campus Life bases their service on a Bible verse from Romans 15:21 "Those who were not told about Him will see, and those who have not heard will understand."

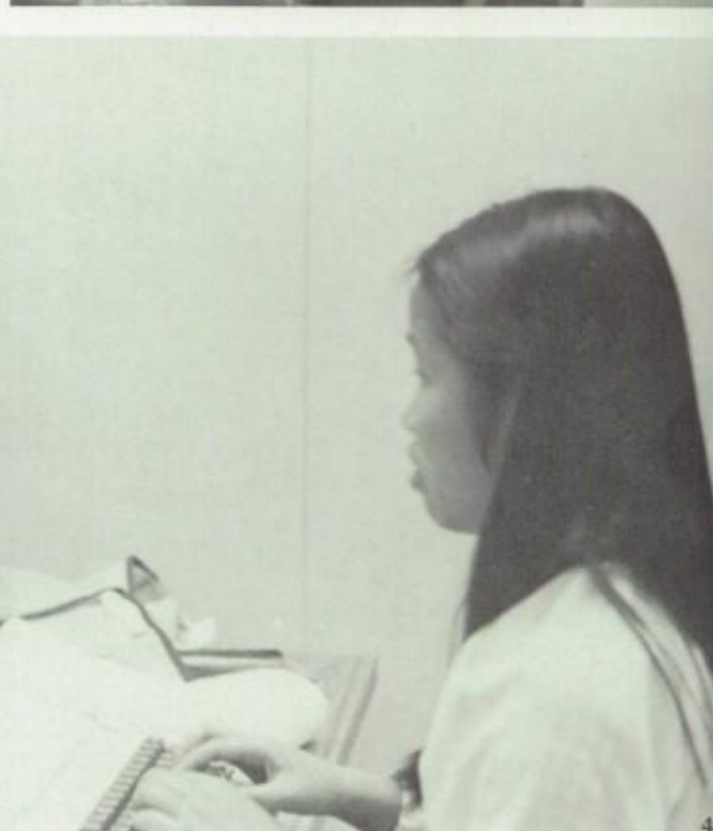

Gaining Skill

Training for future careers through the Regional Occupational Programs, the Schurr Spartans were able to obtain equipment provided by the Los Angeles County Superintendent of Schools. Within the past few years, ROP has become more popular and more successful, because it provides students with valuable skills for high employment area.

ROP has offered different courses in various fields of work such as dental assistant, computer technology, nursing, and paramedics. In order to become a part of ROP, one must sign up one semester before the desired time to take a class, because classes fill up quickly. This year, over one hundred students were enrolled in ROP classes.

These classes held after school and on Saturdays gave students an opportunity to develop job skills, to gain a work reference, and to receive a certificate of achievement.

ROP counselor Gus Seymer commented, "In the future, a student will have to develop an attitude of learning to learn. This is a result of the technological revolution occurring in America. Today, ROP can be a window for tomorrow's job."

Witt's Wide World of Work

Under the supervision of the school career counselor, Mr. Walter Witt, General Work Experience Education provided a program for students to give them an opportunity to earn school credit, money, and work experience at the same time. While taking on part-time jobs, students involved in Work Experience could earn up to ten credits each semester, determined by the number of hours worked per semester. In order to be eligible for enrolling in the program, one must have had a paying job and have worked at least ten hours a week on school days. Also, the student must have been at least sixteen years of age. Besides earning credit towards graduation, students were provided with useful career information, for example, how to apply the skills learned

in school on the job. In addition, through Work Experience, many students obtained testing related to job characteristics, career counseling, and a chance to work with adults, which is quite an adjustment for many young people to make.

Witt commented, "Work Experience gives students enrolled a head start, making transitions easier and also opening new doors to better jobs and advancement. Not only does this give monetary reward but also experiences in the world of work which will be valuable when school and training are completed. Those individuals with any work experience are generally hired before ones who have not had any previous job or training."

Snowmaniacs

This year's 40-member Ski Club met Wednesdays to plan the many Mammoth and Alta weekend trips as well as local ski trips. One small group even ventured to "Snowbird" in Utah. To help defray the high cost of transportation, rentals, high cost of transportation, rentals, lodging, and lift tickets, the Ski Club sold "Bonus Books" — small books of about 500 coupons valid in local businesses. Said President Tod Wakamatsu, "Utah was Great! The skiing was the ultimate. I'm glad I got a chance to initiate some new members into the skiing lifestyle!"

After Mr. Jim Haskins moved to Washington, Mr. Mike Garcia assumed the position of Ski Club advisor. Officers included Tod Wakamatsu — president, Perry Iwai — vice-president; Scott Yamabe — secretary, and Lisa Iwai — treasurer.

Qualifications to join Ski Club were flexible. "Basically," concluded Tod Wakamatsu, "Anyone with two legs and two feet can join."

Throughout the school year, the Photo Club kept their cameras clicking. Through the sharp eye of photo instructor Marvin Inouye, the club laid out intriguing field trips, and lucrative fundraisers in order to further each member's favorite hobby: photography. The quest for that perfect "shot" lured the artist to such sites as Mono Lake, Bodie Ghost Town, Death Valley, and even New York state. These excursions stimulated the young photographers' creative abilities and were later displayed in the school's annual art show.

Handicaps Even Things Up

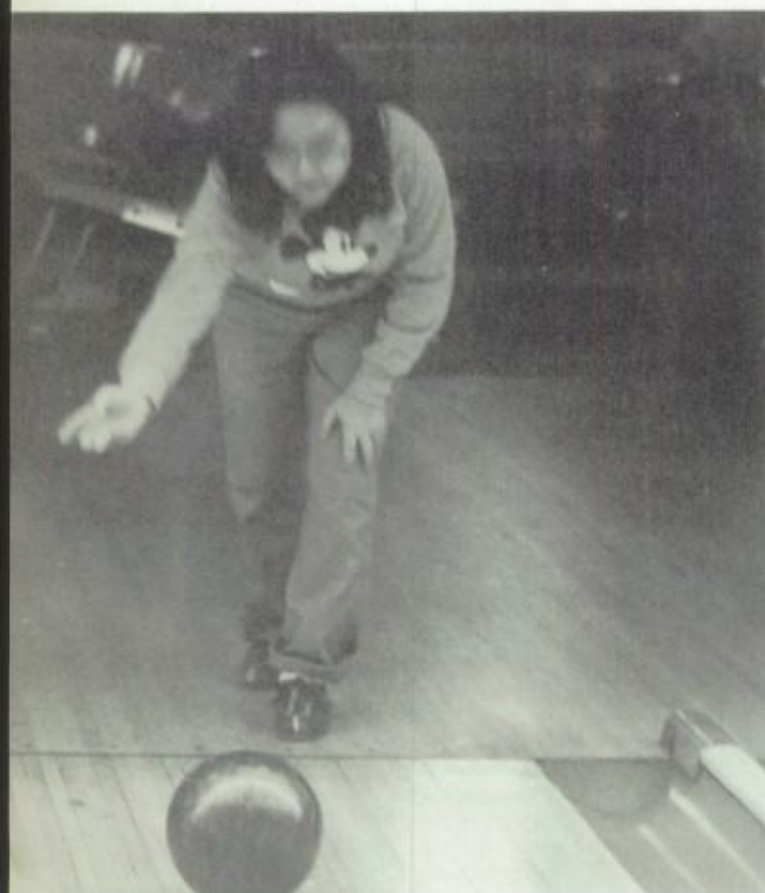

The Bowling Club was one of the new activities formed this year. Twenty members strong, the dedicated bowlers met at the Beverly Bowl every Monday after school to bowl.

Although the club did not belong to a league, they had enough bowlers to create teams within the club. A more advanced bowler would be paired with a less experienced bowler with a high handicap.

The officers for the Bowling Club

were President David Brownstein, Vice-president Steve Iwashita, and Secretary Sylvia Quesada. This year's advisor was Raymond Cole.

The bowling season ran from February to June. The requirement to join the club was simple: "be willing to bowl." President Brownstein summed up the bowling season by saying, "I hope that the Bowling Club can continue for the years to come and each year it will get better and better."

Green's Team Covers All

Led by head engineer Marc Mittleman, the Sound Crew set up the sound equipment at various school functions. With helpful insights into the world of sound from Adviser Mr. Green, the four-man team had a busy schedule providing the sound for assemblies, weekly pep rallies, and various sporting events.

The Audio Visual workers worked harder as usual this year in the various duties performed during class time. These jobs included Xeroxing, running Scantron machines for teachers, deliver-

ing films, overhead projectors, and film projectors, and trying to find films, overhead projectors, and film projectors returned. Several members of Audio Visual were even able to do video taping of events such as football games and pep rallies.

Under the direction of Bob Crouch, the workers were trained by Crouch how to run the projectors so that if a substitute teacher were unfamiliar with our equipment, they were able to work the machine for him.

The Big Game

The Varsity Club, composed of Schurr's lettered athletes ended another year but ended it differently: the jocks beat the faculty in Donkey Basketball for the first time in seven years.

The Donkey Basketball Game was only one way the club raised money. Under President Narine Kadekian and Adviser Ron Pruitt, the group also raised funds by selling pizza to famished square dancers at the Sadie Hawkins Dance.

The Good Book

The **Oracle**, "a literary magazine of expressed feelings and thoughts of the students here at Schurr" as staff member Perla Gonzales describes it, would never exist had it not been for Adviser Miss Merlene Hill and her staff of creative writing students who put the whole book together.

The students were put into committees and did various jobs to compile the magazine for others to enjoy. Their duties included typing, layout planning, deciding on a theme and promoting and selling the product.

The purpose of the magazine explained by Hill is "to give outlet to the creative talents of Schurr's poets and short story writers, to provide the excitement of seeing one's work in print, to coordinate photography, art work, and writing skills, and to provide a souvenir publication to please the students and faculty."

The **Oracle**, which is known for selling candy and grams, fortunately did not have to hold fundraisers this year. The **Oracle's** account had enough money to subsidize the publication. One book actually costs four dollars to print; however, the **Oracle** staff charged only two dollars per book.

Hill also added, "The **Oracle** is as good as the material which are submitted from the students who write them."

Scholars Jump for A.H.A.

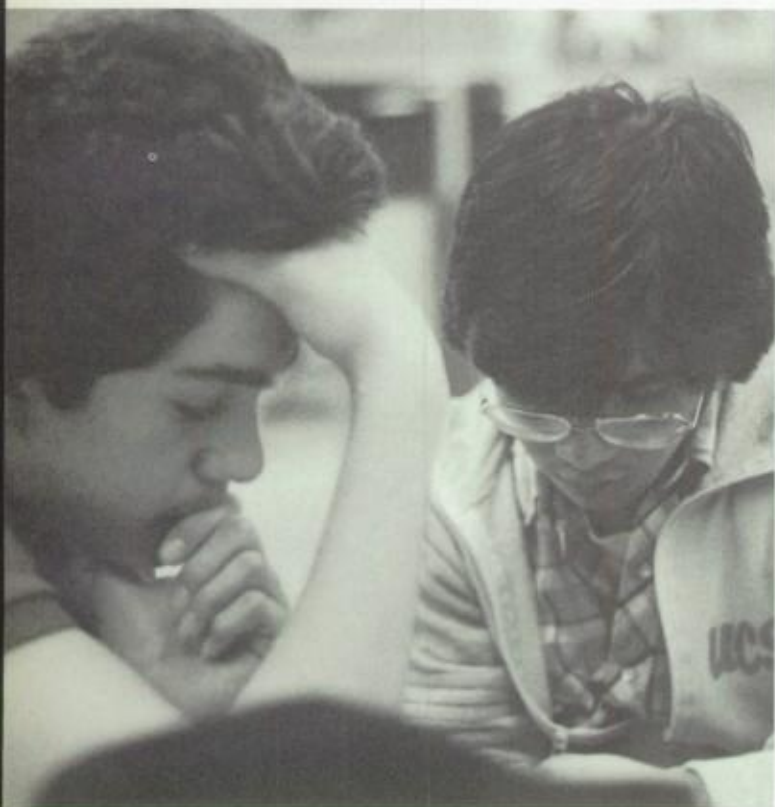

A total of 144 members, CSF "began this year with the hopes of building respectability and pride," commented president Helen Ligh. "This could only be done by getting the members to begin caring about the organization and working for its purpose: Service."

Throughout the year CSF sold soda and candy during the football Homecoming, held a candy cane sale in December, traveled to Disneyland for CSF Night March 11, and held a Spring candy sale. The members also ran a car wash and participated in a jump rope-a-thon on April 30. Still other activities included CSF Recognition Day, a picnic, and a banquet in late May. At the banquet book scholarships of \$100 were given out to active seniors. A

tutoring program in which members gave up their own free time to help other students was yet another CSF endeavor.

With the help of advisors Miss Ella Wing and Mr. Robert Vrablik, the club was headed by Ligh, Vice-President Vernon Takeshita, Secretary Karen Quon, Treasurer David Hall, and Historian Philana Chow. Other officers were representatives senior Grant Imai, junior Leslie Higa, sophomore Steve Chu, and freshman Lulu Wong.

Summing up the past year, Ligh commented, "We have worked very hard and, happily, have been very successful so far. The organization is once more alive and active as are its tutoring and volunteering service programs and membership."

ACTIVITIES

THE FIGHT FOR SPIRIT

Spirit Week excitement filled the campus with liveliness as enthusiastic Spartans awaited the arrival of Friday's Homecoming.

This year's program of events had Monday labeled "Pajama Day," Tuesday was "Sports Day," Wednesday was "Concert T-shirt Day," Thursday was "Halloween Day," and Friday was the traditional "Spirit Day."

On this final day of celebration, red-eyed, sleepy Spartans dragged themselves on campus at 5:45 a.m., ready to decorate their respective buildings. The uproarious juniors, displaying colorful banners and streamers on "B" building, captured the building decorating title for the first time.

Since money was a prime factor, only two classes, '83 and '85, participated in the float competition. The Class of '83, with their "Hang the Indians" theme, took first place; the Class of '85 float settled for second billing, displaying an Indian as the target for an arrow-armed Spartan.

The trash can competition, judged by the custodians, was won by the Spartan Band. They designed their trash can with musical notes and with a Spartan dunking an Indian into a trash can.

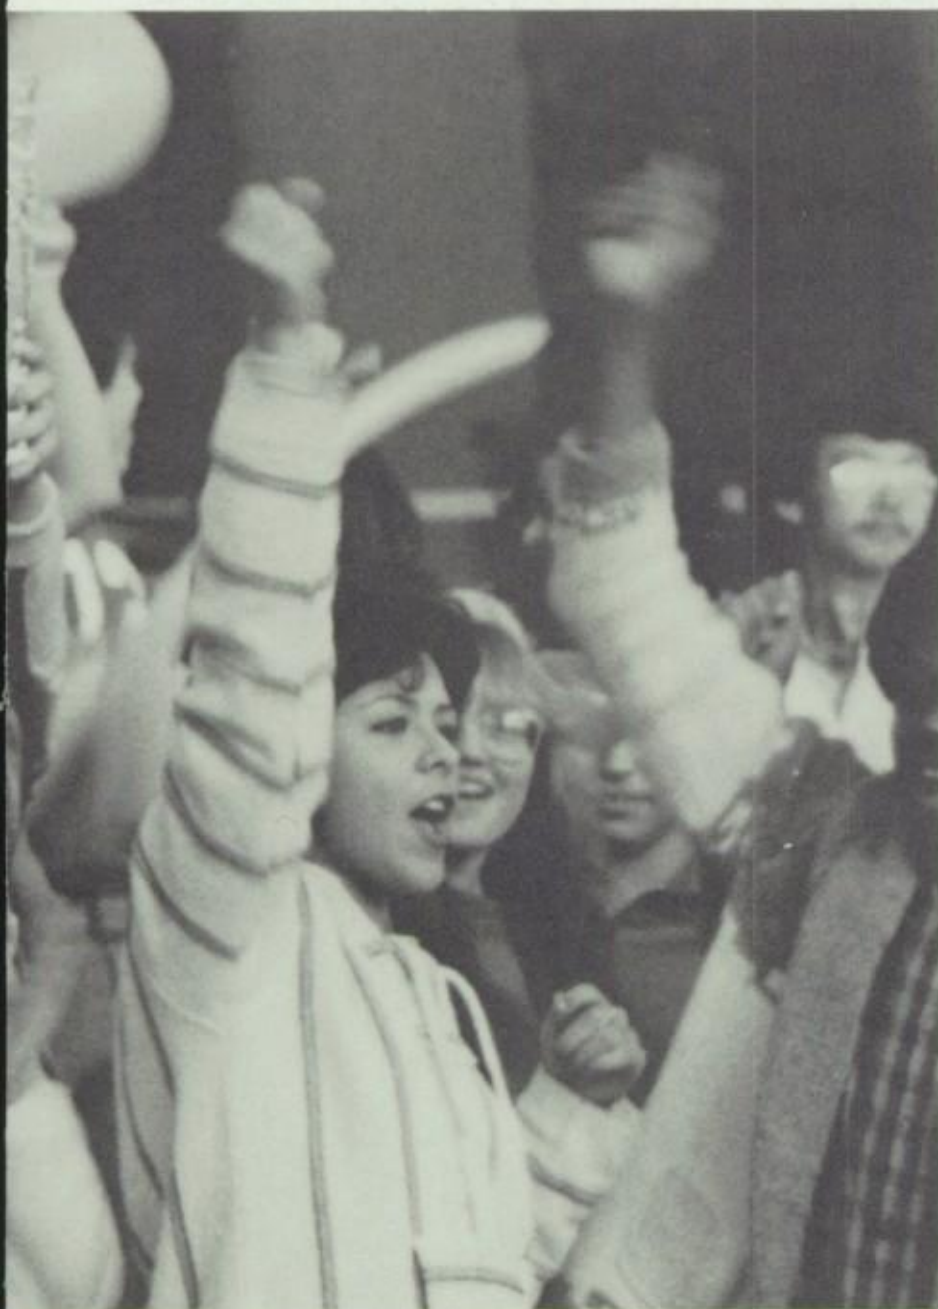

At nutrition, fired-up Spartans filled the amphitheater for the thirty-minute pep rally. The classes battled in a variety of contests. The first of these was

the jug yell, when each class tries to out shout the others. The seniors, maintaining tradition, won the jug yell. However, the juniors out ate their upperclassmen in the burrito-eating contest, while the seniors retaliated in the three-legged race. The freshman captured the balloon race, in which each class tried to tap its balloon to the top of the amphitheater first. In the Senior Park, Spirit Week festivities continued as various clubs set up food and game booths. The Journalism class featured their annual teriyaki booth, and Varsity Club their dunking booth. And for the first time in the school's history U.S.B. hired a D.J.: "Century". Students seemed to like this idea, as they danced in the kiosk area to the sounds of such artists as "Prince," "Oingo Boingo," "The Clash," and "Men at Work."

The last event of the day, the one that everyone had been waiting for, was the Homecoming football game. Happily the Spartans ruled over Burroughs, 27-0.

The coronation highlighted halftime activities; the crowning ceremony named Sheryl Lowe as the 1982 Homecoming Queen. Her court of princesses were Jodi Takeuchi, first runner-up, Leandra Hernandez, second runner-up, Teresa Cramer, third runner-up, and Susan Phillips, fourth runner-up.

One Day in Your Life . . .

Once again, hard work and careful planning paid off for Girls' League when they presented their annual Christmas Ball.

Providing entertainment was disc jockey "Quantum Mechanics" while Sanford Studios offered their services taking pictures of the merry couples in a snowy mountain background. Highlighting the Christmas Ball was the coronation of Christmas Ball Queen Vickie Sill, Senior Princess Sandra Mejia, Junior Princess Jeannette Leal, Sophomore Princess Nikki Noriega, and Freshman Princess Debbie Flores.

Adding to the festivities was the naming of seniors Darrin Montalvo and Bobbi Montalvo as Mr. and Mrs. Santa Claus, a reward for raising the most money during the previous week. There were Christmas trinkets and novelties raffled off, along with a six-foot Christmas Snoopy. Going high-class, strawberry daiquiri's were served in "One Day in Your Life" printed wine glasses, later to be taken home as souvenirs of the Christmas Ball.

On the Road With 'Gypsy'

The Schurr High School Department of Performing Art's production of "Gypsy" was the winter play of the year. "Gypsy" takes place in Seattle, Washington, opens in the early 1920's, and closes some ten years later. The story begins as sisters Baby June, played by Tina Vartanian, and Baby Louise, played by Yvette Trembley, are among the young children trying out for a children's spot in a vaudeville production. Their domineering mother, Rose, played by Brenda Weiner has only one ambition in life: to push her two darlings

into show business.

Shortly afterwards, while devising a new act, "Dainty June and Her Farmboys," Rose discovers a note that June has eloped with Tulsa played by Eduardo Torres, one of the farmboys. Undaunted, Rose decides that Louise, who has always been pushed in the background, will become the new star of the family.

The act, "Mme Rose's Toreadorables" with Louise as the 'star' is booked, in error, into a second rate burlesque theater. Three strippers Miss Mazeppa, Miss Elec-

tra, and Tessie Tura played by Josie Cortinas, Marisa Panetta, and Kathy Northrup in the company explain the finer points of their art to Louise who has been dubbed "gypsy."

On closing night, the leading stripper is arrested so Rose pushes Louise in to the stripper's spot. When Louise goes on, "Gypsy Rose Lee" is born; she later becomes famous and tops the bill at Minsky's. Gypsy joins Rose and together they go off, but it is now clear that Rose is no longer in charge.

Hot Trotters Outsmart Vets

After one too many defeats, Schurr students rose to the occasion by winning a 58-52 victory in the Tenth Annual Donkey Basketball.

Leading the faculty's cast were all-stars, Mr. Glenn Sewell and Mr. Steve Terry. The students all-star leaders were Rueben Solorio and Harold Duffey. Mr. Sewell and Mr. Terry proved to be an almost unstoppable team, scoring the majority of the faculty's first 20 points. However, the students were ready and determined to win this time around.

Solorio and Duffey were able to match the faculty's scoring by evening the score 20-20 at the end of the first half.

The second half proved to be an exchange of luck for the students as the faculty took an immediate lead because of Mr. Terry's hot shooting and that of his partner, Mr. Sewell, who together scored the first 10 points of the second half. In the remaining minutes of the game, Solorio and Duffey responded by making a comeback and scoring four baskets in a row.

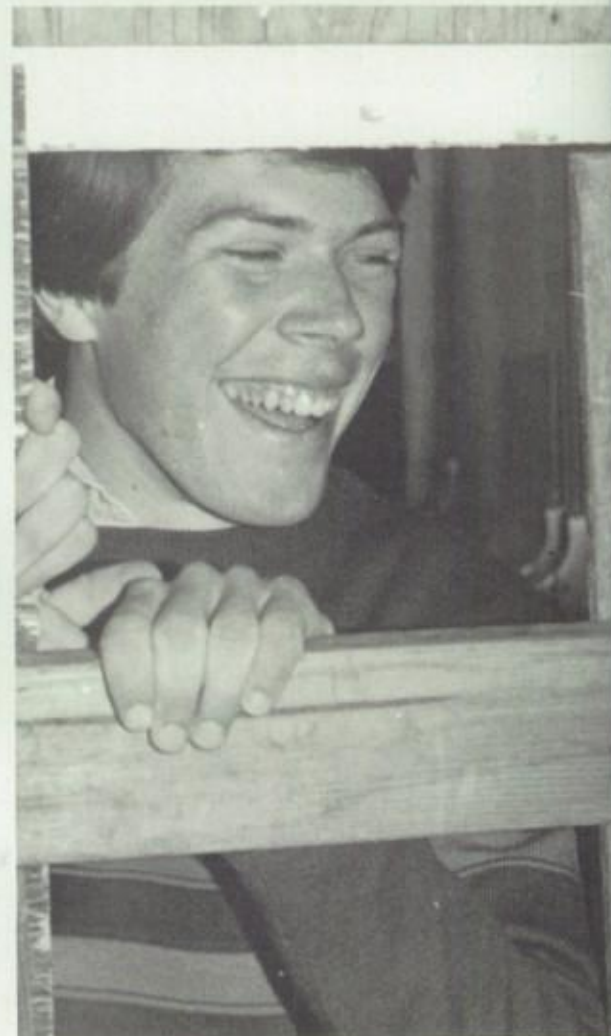

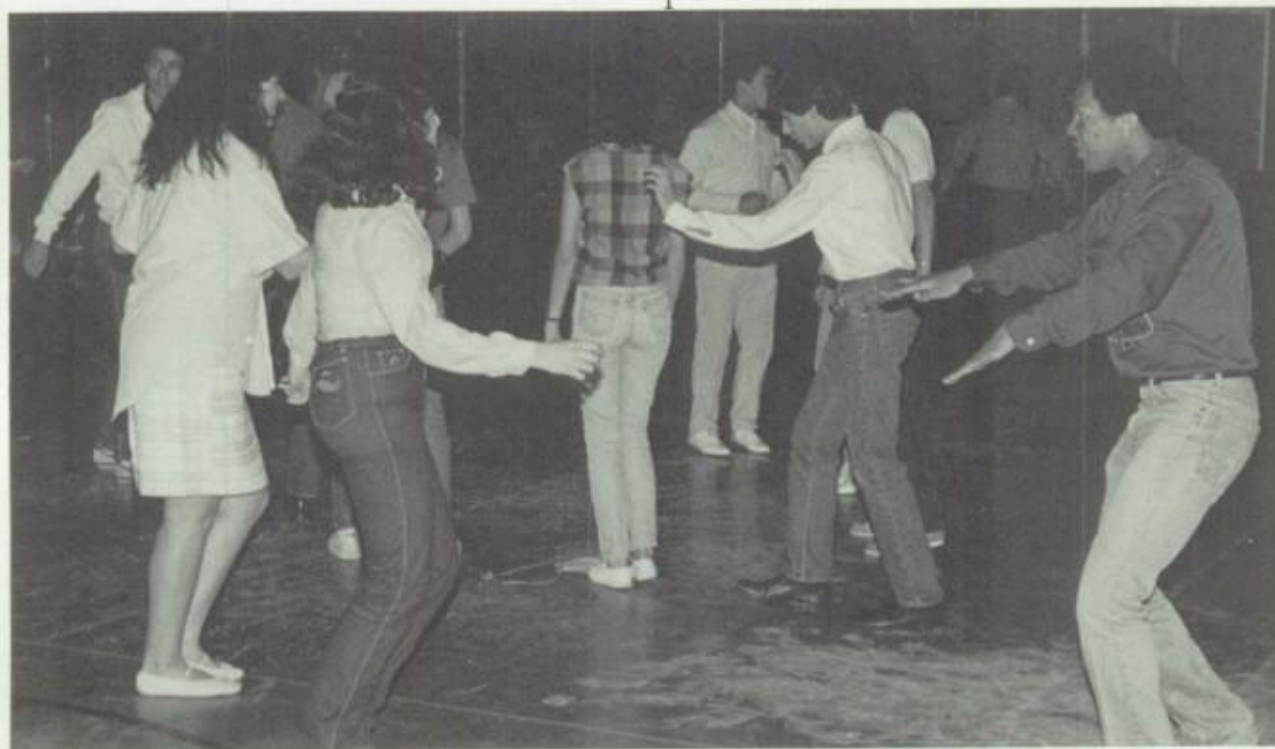

Bumpkins Host Sadie Hawkins

Keeping in line with many years of tradition, Girls' League sponsored the annual Sadie Hawkins Dance held in Byers' Gymnasium. Looking like country-bumpkins dressed in jeans and overalls, spirited Spartans crowded into the gym at what looked like one of this year's most successful dances.

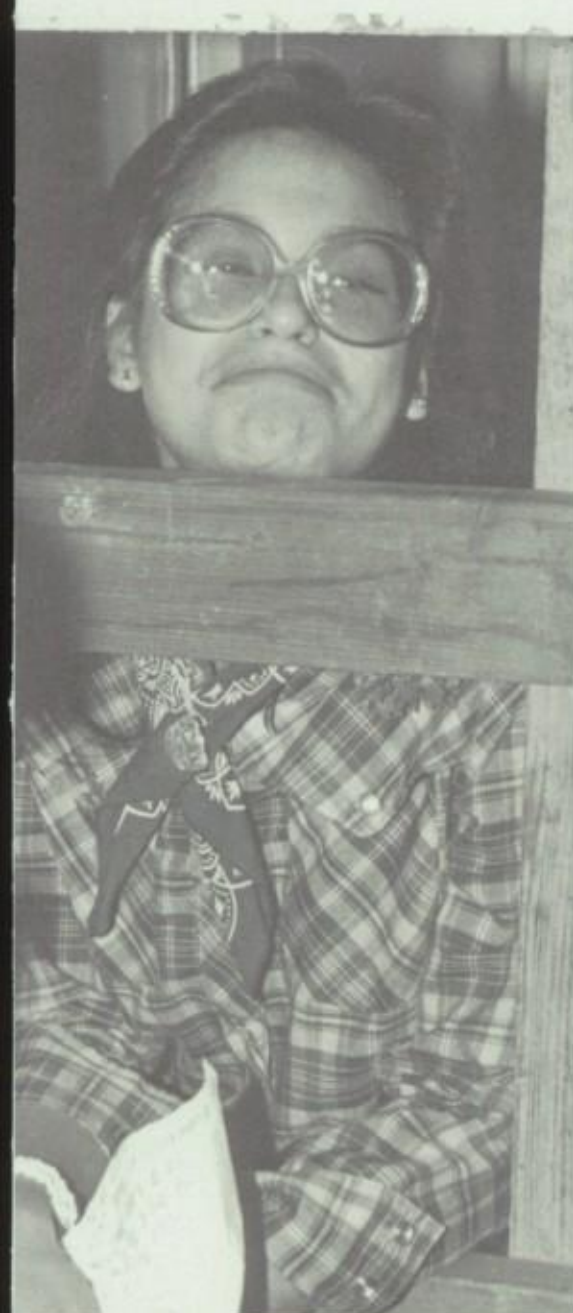

Resident "dog patchers" were treated to the sounds of D.J. Century as other activities, including a pie throwing booth, hitching post, freckle booth, and the ever-popular senior jail kept them busy. Memorable photos of the dressed up country folk were taken by Color Enterprises.

After a week of collecting money, freshmen Andrea Phillips and Debbie Sato captured the titles of Daisey Mae and Lil' Abner.

Stated one country-bumpkin in attendance: "I felt the Sadie Hawkins Dance was pretty successful and that it was one of the better dances of the year. It gave the girls an open opportunity to ask the guys out, without having to feel embarrassed."

Memories of 'Enchantment'

Perfectly timed, this year's Valentine's Dance gave Schurr High students the opportunity to relax, unwind, and have some fun after a hectic week of frenetic finals.

As the mighty Class of '84-sponsored dance got underway, myriads of sweethearts flooding into the small gym were treated to the music of the D.J. "Enchantment." Meanwhile, Sanford Studios invited them to take Valentine pictures against a cheery red background.

Stated one dance-goer: "There were a lot of people dancing and it seemed like everyone enjoyed themselves."

Sophomores Seize Crown

This year's spirited celebration of Basketball Homecoming had its ups and downs. Although the varsity team's defeat to Hart was disappointing, the rest of the day was filled with pleasant surprises. In the day, students were treated to an extended lunch which featured booths by various clubs. Highlighting the event was the coronation of King Mario Aguilar and Queen Melinda White, as the rest of the court was filled by seniors Larry Goncharenko and Perla Gonzales, juniors Rueben Solorio and Vicky Rattray, and freshmen Oscar Chacon and Jackie Borja. Concluding the festivities was a free dance for Schurr students.

Momentos

"Moments to Treasure" was the theme of this year's prom. Set in serene, secluded Newport Beach, the Junior-Senior Prom of '83 brought exquisite moments that the many couples may forever treasure.

The prom bids, \$60 per couple, included a Brochette of Beef Dinner, a free soda bar, and a terrific evening.

This was the first time Schurr High traveled all the way to prestigious Newport Beach for the prom. Some couples went all out, renting limousines which matched the tuxed and gowned guests.

After dining, the couples danced to the sounds provided by "Time Warp." Picture taking was available by Sanford Studios for those who wished to have their photographs taken for memories.

Wacky Wheels Raid Menor's Innersanctum

Schurr High School students received for the first time an opportunity to learn anything and everything related to wheels in "Wheel's Week" sponsored by the Friends of the Library.

This week-long event included various contests such as "Wacky Wheels," a puzzle in which students were to find as many parts from automobiles, bicycles, and motorcycles, and "Where are the Wheels?," the goal to find fiction and paperback book titles containing the word "wheel."

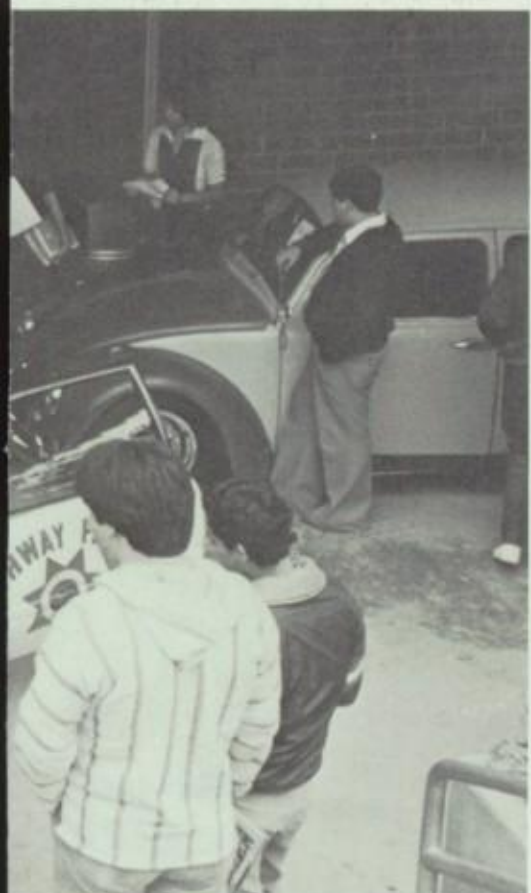

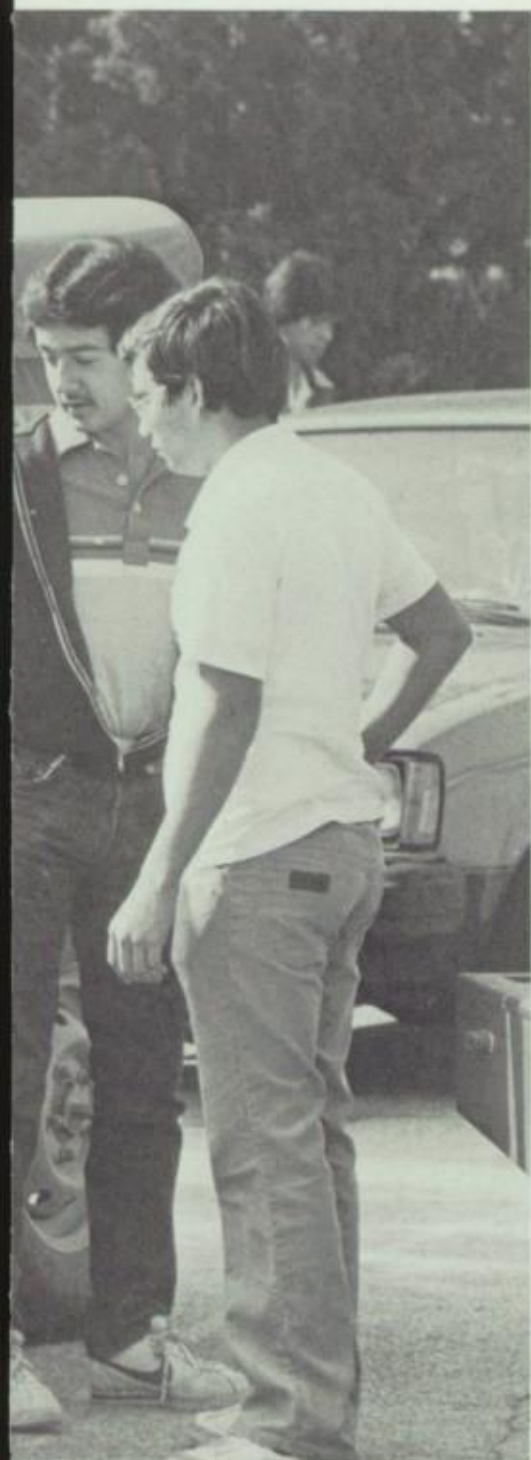

Each particular day was devoted to a special theme related to wheels. Monday was "Wheel-in Through History", while Tuesday was "Wheel-in Two Wheels." "Wheel-in to Four-Wheel Drive", "Wheel-in Your Wheels", and "Wheel-in to Readin'" filled out the remainder of the week.

On "Wheel-in Two Wheels" day, students voted V.I.C.A club's bike entry "The Ugliest Bicycle;" took computerized driver's tests for class credit; and viewed the "Tour de France" bicycle race sponsored by the Schurr Bike Club on video cassette. "Wheel-in to Four-Wheel Drive" day proved to be an eye-catching attraction with the presence of a jeep, trucks, a mobile computer, and an eighteen-foot model of the battleship "Nevada" provided by the U.S. Army and Marine Corps Recruiters, as well as a U.S. Navy Representative.

The latter portion of the week included the display of a California Highway Patrol car and motorcycle, and other souped-up cars belonging to Schurr High students. Stated Friends of the Library President Helen Ligh, "I think it was a huge success! Our goal of getting people in the library, I believe, was achieved. Every day of 'Wheels Week' there was a tremendous amount of enthusiasm and fun."

(1) Examining an army four-wheel drive jeep, Michael Gutierrez and Robert Sepulveda seem interested in its detail (2) "Wheel-in Your Wheels" day draws in the crowds with the display of a C.H.P. car (3) Hoping to win tokens to Fun Arcade, Adriana Lombardo submits her answers for the "Wacky Wheels" contest (4) The telling of adventures in the army captures a Spartan's undivided attention (5) Curiosity compels Eric Nakano and Miles Franco to peep into a Howitzer.

Chavez Leads Burrito Race

With strong goals and high spirits, the class of '84, led by President Tony Chavez, Vice-President Ruben Salorio, and Secretary Luciano Meza, established itself as a hard working class.

During Homecoming, the energetic Junior class made itself busy by participating in many activities: rising before the sun to decorate "B" building was just one. For their efforts they captured first place in the early-morning contest. To show that the class of '84 hadn't lost its spirit, the eager young class, with Tony Chavez as its rep., stole first place in the burrito-eating contest.

The Junior cabinet was also responsible for the organization of the Junior-Senior Prom at the Newport Beach Marriott Hotel, Saturday, June 4. Fundraisers such as rummage sales, bake sales, summer car washes, and the Valentine's Dance helped finance the prom. "The prom was one of the high points of the goals we have achieved this year," commented President Tony Chavez.

Soph's Kitty Won't Starve

Leading the way to a banner year, President Natalie Johnston, Vice-President Steve Chu, and Secretary Cindy Quan were prime movers for the year that followed.

The various Sophomore activities at Homecoming proved to be a financial boom. Not only did they rake in money, they also took second place in the trash can decorating competition, second place in the float competition, and third place in the early morning of "D" building.

To raise money to support their class the sophomore cabinet held several fundraisers; they sold candy apples, M&M's, and hand-baked goodies. This year the Class of '85 tried something new for money showing the Led Zepplin Concert, "Song Remains the Same."

Basketball Homecoming really showed the superiority of the young sophomores when Melinda White and Mario Aguilar took Basketball Homecoming King and Queen.

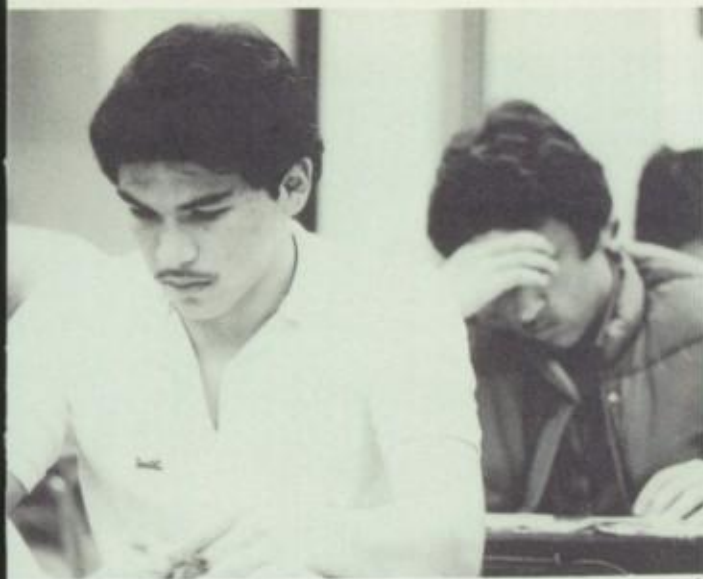

With advisors Terry Devney, Ella Wing and a new advisor Russ Davis, the Class of '85 worked well under their supervision.

Money Mania

Trying to make the most of their first year at Schurr, the Freshman Cabinet organized a full schedule for the year. Leading the group was President Vikki Hiroto, Vice-President John Rodarte, and Secretary Kasey Morimoto. They started out the year with a bang by holding bake sales and a button sale. Realizing that they needed to raise a lot of money for their class, the diligent assembly held a raffle. To the winners of the raffle, the Freshmen gave a set of tools and a radio.

Having only one week to prepare for Homecoming, the Freshman class did not have enough time to put together a float. But they managed to make up for it by waking up well before the break of dawn and embellishing "C" building with home made banners and colorful streamers. They also took part in the trash can painting contest and set up a booth with scrumptious taquitos to feed hungry Spartans during the homecoming activities.

Receiving guidance from advisors Mr. Gayle Capper, Miss Linda Harris, and Mr. Peter Fong, the Freshman cabinet gained useful experiences by making this a year to remember for the class of '86.

(5) Unable to read his World Geography chapter the night before because of the Black Sabbath concert Frank Perez attempts to cover it in one period.

Seniors of '83 Rise To Top

After four long memorable years, the Class of 1983 finally rose to the top.

As with all freshman classes, the class of '83 had a slow first year. However, President Harold Duffy did his best to pep up his class with class t-shirts, key chains, and bake sales. His methods must have worked because by the next year, as sophomores, they were able to put together their first Homecoming float. The sophomore cabinet also organized the first-ever sophomore banquet.

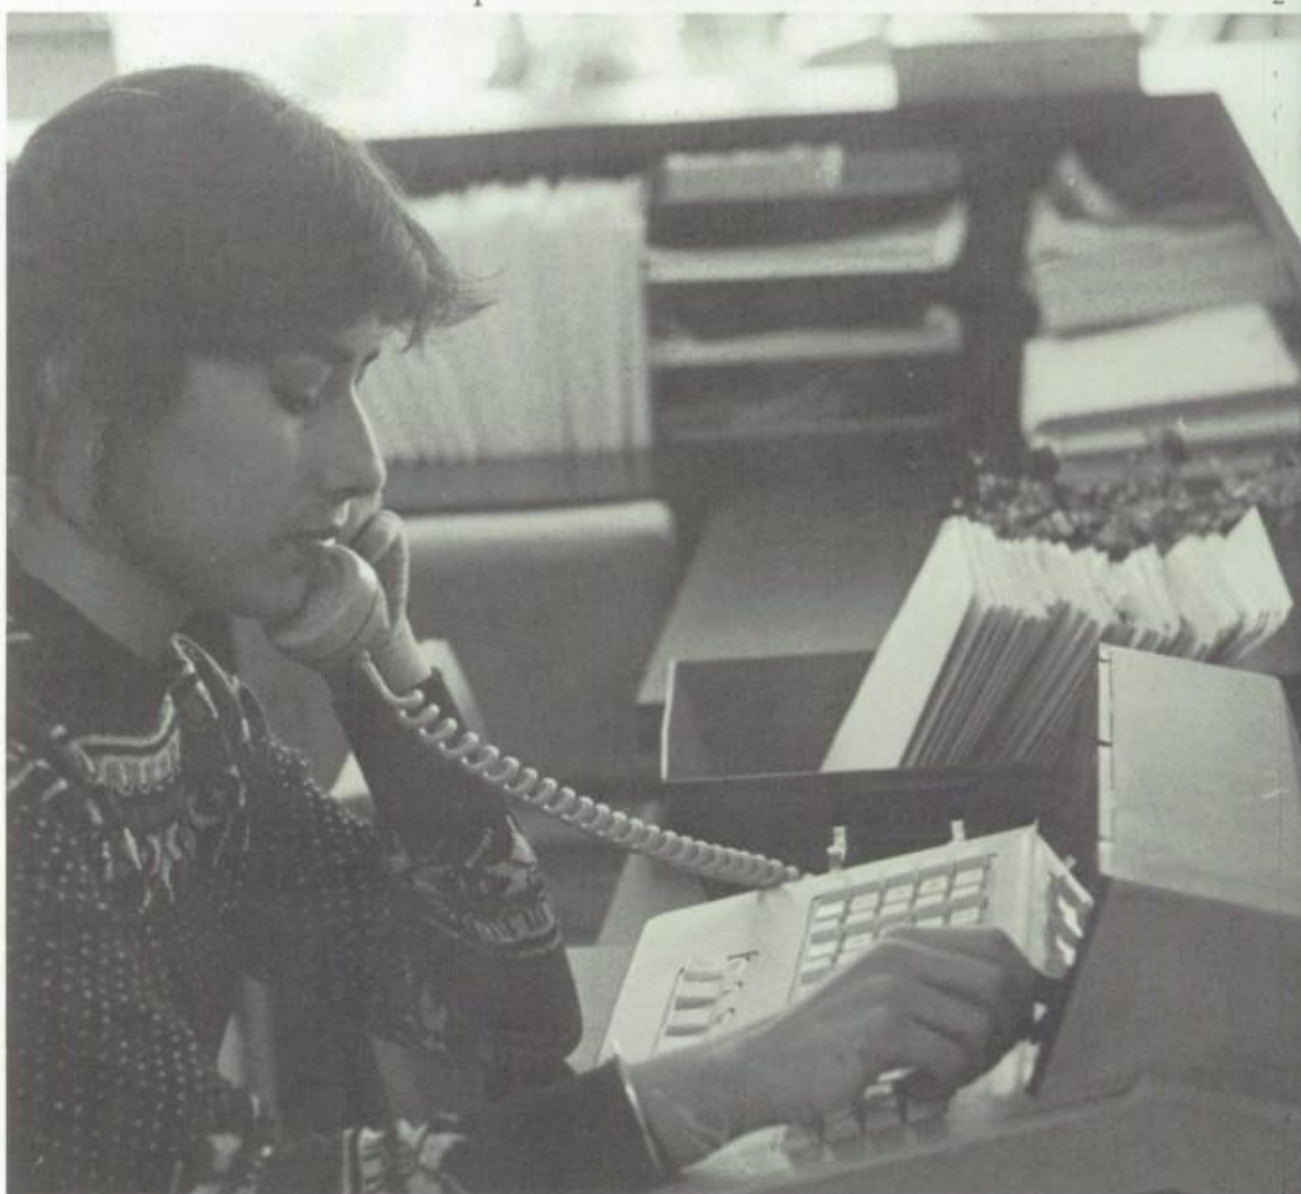

During 1981-82, the Class of '83 really put their shoulders to the wheel. Even more class members participated in the float and building competitions. Although many unforeseen mishaps thwarted their efforts, the class of '83 proudly unveiled their masterpiece: an oriental Samurai Spartan kicking a pathetic Rosemead panther. The float entitled, "How Spartans Get Their Kicks", won first place.

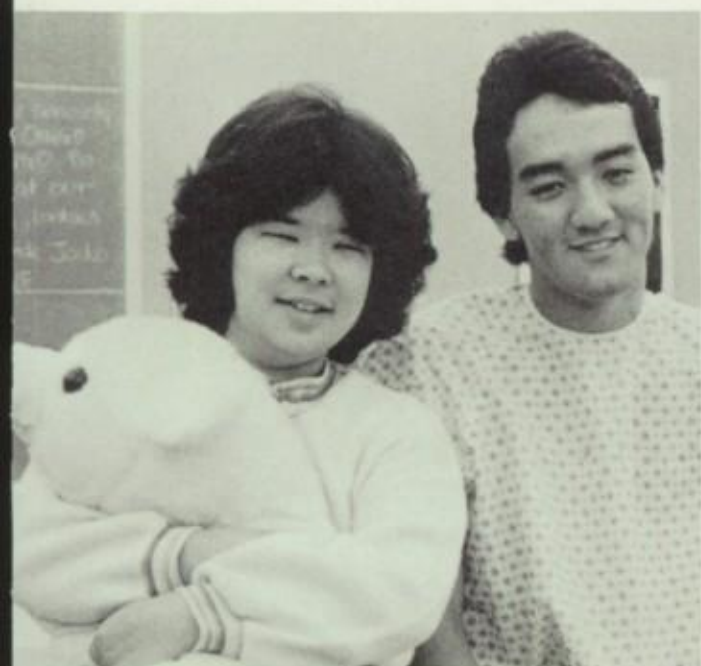

But the highlight of the year was the Junior-Senior Prom. In order to cut the cost of the prom bid, cabinet members organized several fundraisers including car washes, bake sales, and a raffle for a television set. A lot of hard work went into organizing the prom, but the night of June 5th at the Biltmore Hotel was indeed a night to remember and well worth the effort.

After Duffy's three year reign, the class of '83 became the senior class of Schurr High School, under the new management of President Grant Imai. The first success of the year was the Ice Breaker Dance. Senior Class Vice-President Rod Kojima commented, "I think that the Ice Breaker Dance was very good. It was the first social activity of the year which was successful."

The next social activity was Homecoming. The seniors were able to capture first place in the float decorating contest and the "Jug-Yell" competition during an extended Pep-Rally. Over the past four years, the Class of '83 has accomplished many of its goals. Mr. Sewell, advisor of '83 cabinet, said "It's been an experience for the past four years which took a lot of work and time, but I enjoyed working with the officers and class members who have been good workers."

Gridders Prove Equal to the Challenge

Advancing to the tougher 3-A division, the Varsity Football Team surprised all observers by capturing the Foothill League title in its first year of competition. Despite a lack of size as compared to their league rivals, the Spartans managed to post an undefeated 5-0 league record and a 9-3 record overall.

Schurr started the season young and inexperienced, and after achieving wins in their first two preseason games, the Spartans were belted by the potent Hacienda Heights-Wilson and Long Beach Millikan teams. However, the Spartans rebounded to win seven games in a row, beginning their winning streak with a preseason victory over Bolsa Grande. Schurr's offense exploded for 402 yards, and the defense allowed only one touchdown en route to a 45-6 Schurr win.

Against Alhambra, the offense came alive in the second half, scoring three touchdowns while the defense held the Moors to a single score. The 27-6 Spartan win gave the gridgers confidence for the remaining games. Schurr had no trouble in disposing Burbank, 27-6, for their third consecutive win. Running backs Rene Aguilar and Harold Duffy combined for three touchdowns, while quarterback Danny Valdez passed for 116 yards and one touchdown.

Burroughs Indians were picked as the favorites to win the Foothill League crown in a preseason coaches' poll, but on Homecoming Day, Rene Aguilar put on a clinic. Aguilar, playing like a one-man team on both offense and defense, picked up 125 yards on 22 carries and returned an interception 40 yards for a touchdown. He also passed for a touchdown in a 27-0 Spartan upset.

Determined not to let Aguilar steal the

show again, the entire Schurr defensive unit set the tone for the game against San Gabriel, allowing the Matadors just 48 yards on 20 first half plays. Even though the Matadors outgained the Spartans in total yardage, Schurr's determination enabled them to pull out the victory.

The final league showdown, a no-holds barred battle between Hart and Schurr, was to be decided at the chilly College of the Canyons football field. This final contest pitted the only two remaining unbeaten teams against each other with the entire season resting on the outcome of this last game. Mark Madrid had both low and high points in the game. Trying to kick for the extra point, Madrid instead hit a Schurr offensive lineman, thus deflecting the ball. The missed extra point proved crucial as the score at the end of regulation was tied at 12. The game went into a California Tiebreaker overtime, where each team is given a possession at the ten yard line and the team that scores the most points is declared the winner. If neither team scores, the team with the most yards is then the winner. Schurr was given possession first, and managed to score a touchdown within the allotted four downs. Schurr missed on the conversion attempt, and possession was turned over to Hart on the Schurr ten-yard line. Here Madrid redeemed himself for his missed extra points by intercepting a pass from Hart quarterback Tom Bond in the end zone to preserve an 18-12 Schurr victory, giving the Spartans the Foothill League Championship.

Having captured the league crown, the Spartans automatically qualified for the first round of the California Interscholastic Federation playoffs. Schurr left disbelievers in awe with an exciting 20-17 win against the South Torrance

squad (also nicknamed the Spartans) in the opening round of the CIF Coastal Conference playoffs. The highly touted Schurr defense, which allowed only three touchdowns to Foothill League opponents, stifled South Torrance's running backs, holding them to a meager four yards by halftime, and 119 yards for the entire contest.

Junior defensive end Wayne Izuo applied relentless pressure, sacking the South Torrance quarterback three times. The defensive secondary also made its presence felt with several hard hits which jarred the ball loose on seemingly easy catches.

Schurr started the scoring in the first quarter with quarterback Danny Valdez passing to Rueben Solorio in the end zone, capping a 64-yard drive which included an acrobatic, leaping catch by Chris Perez on the South Torrance 18-yard line. Although the conversion was missed, Schurr led 6-0.

Rene Aguilar put on an offensive show, displaying his versatility by catching four passes for 84 yards and two touchdowns. Aguilar took in the game winning touchdown in the fourth quarter on a Valdez pass for a 68-yard score. His other touchdown came on a similar play which allowed Schurr to regain its lead, 14-10. The final score of Schurr's seventh straight win was 20-17.

The magic of Schurr's football season came to an end after being pounded by the CIF's second ranked team, the Pasadena Bulldogs. Pasadena clearly dominated Schurr throughout the contest and the Spartans failed to cash in on any of the rare opportunities Pasadena gave them. Schurr finished on the short end of a 27-6 score.

Sophs Face Tough Rivals

The Sophomore football team concluded the season with a disappointing 2-3 record in the new Foothill League and 3-6 overall. The inexperienced Spartans ended the season in 4th place in the league. The Sophomore gridders were faced with adversaries from the Alhambra, Burbank, Burrough, San Gabriel, and Hart schools in the Foothill League. The Sophomore gridders were beaten by Alhambra 0-6, Burrough 0-14, and Hart 7-42, however they managed a 13-0 victory against San Gabriel, and defeated Burbank 14-6. Coach Casey O'Gorman summarizes the season, "The new league has been quite a challenge and all our games were close, with several decided near the end."

New Strategy Fails Frosh

The Freshman Football Team found the new Foothill League challenging, facing opponents from highly rated Pasadena, San Gabriel, Alhambra, and Blair.

The Frosh strategy of placing their best players in the front and their secondary players in the rear did not work for them. Although their defensive line, headed by Rick Frias, was strong, and running back was tough, the gridgers could not count on their offensive line and its quarterback, Eric Rublacava, to pull off the play in a tight squeeze.

Even though they lost almost all their games, Coach Bruce Vlink reflected optimistically on the season. He said, "The team's record and scores are not an indication of the fine talent and fine young people who played on our team. The new league brought new challenges for coaches as well as our athletes who, I feel, responded very well."

Spartans: The Team That Never Became. . .

In early June of 1982 eight girls were chosen for Girls' Varsity Volleyball based upon their ability to bump, spike and set. Even though they were on summer vacation, their relaxing summer was interrupted by volleyball practice and summer league play. Returning to school in September, regular league practice began with two and one-half hours of hard workouts every day.

Varsity spikers finished their first year in the Foothill League in a tie for fourth place. Coached by David Hokyo, the varsity volleyball team ended their season with a 11-8 record. Although the team had several chances to enter C.I.F. playoffs, a lack of teamwork caused their downfall. Coach Hokyo described them best as, "A team that never became." Team captain and co-MVP Vickie Sill stated, "We had a lot of talent and potential to go far, but with conflicts and differences of personalities, we drifted apart as a team, and that was the missing link to our victory."

Even though the team did not do as well as the talent indicated, Hokyo commented that, "other than all the pressure of coaching, I had an enjoyable time helping and just getting acquainted with my group of young ladies."

Summer Camp Or Goodbye

This year the Girl's Junior Varsity Tennis Team were at a disadvantage in the Foothill League. Out of the twenty-one players. Faced with the big job turning players. Faced with the big job of coaching a new inexperience team, Coach Chris Haggerty sought a solution: Summer Camp.

Coach Haggerty made it mandatory that all the JV tennis players attend this camp, held at Schurr High School, during July. Instructed by Cal State graduate Brett Dawson, the girls learned various fundamental skills, such as lobs, serves, volleys, overhead smashes, back hand and fore hand hits. These fundamental skills, along with determination and hours of hard practice everyday, led the JV's to the opening of the Foothill League.

The girls started the season off slowly, but picked up towards the end, placing the netters third in the league. "I think we did real well this season despite the lack of experience and the fact that most of us learned how to play this past summer," stated teammate Cindy Quan.

For her talent and excellent playing, senior Michelle Crouchet received the Coach's Award. The Most Valuable Player Award was given to sophomore Cindy Quan, who, Coach Haggerty states, "Cindy should be playing on the varsity team next season." Showing the most improvement was freshman Nancy Gondo.

JV: Strong Slammers

Teamwork and ambition proved to be the key to the Junior Varsity Volleyball Team's 8-2 victory. Beginning with little knowledge of volleyball team play, the JV team put their talents together and spent many long summer hours practicing their strategies. Participating in summer league with Hokyo's Varsity Volleyball team, the JV's picked up much-needed skills. Approaching September, the JV's practiced every week day afternoon from 3-4:30, under the guidance of coach Irene Fasnacht.

Headed by team captain, Marisa Cortez, the JV's entered the new Foothill League without even looking back.

Conquering South Pasadena, Burroughs, Alhambra and much more of their competition, their victories, and upsets, were due to their powerful hitting skills. Of her teammates, Leona Wong commented, "We have pretty strong hitters, and our opponents can't return our hit."

Awards were bestowed upon Pam To, All League; Marisa Cortez, Most Valuable Player; Christine Diaz, Best Offense; and Lulu Solis, Best Defense.

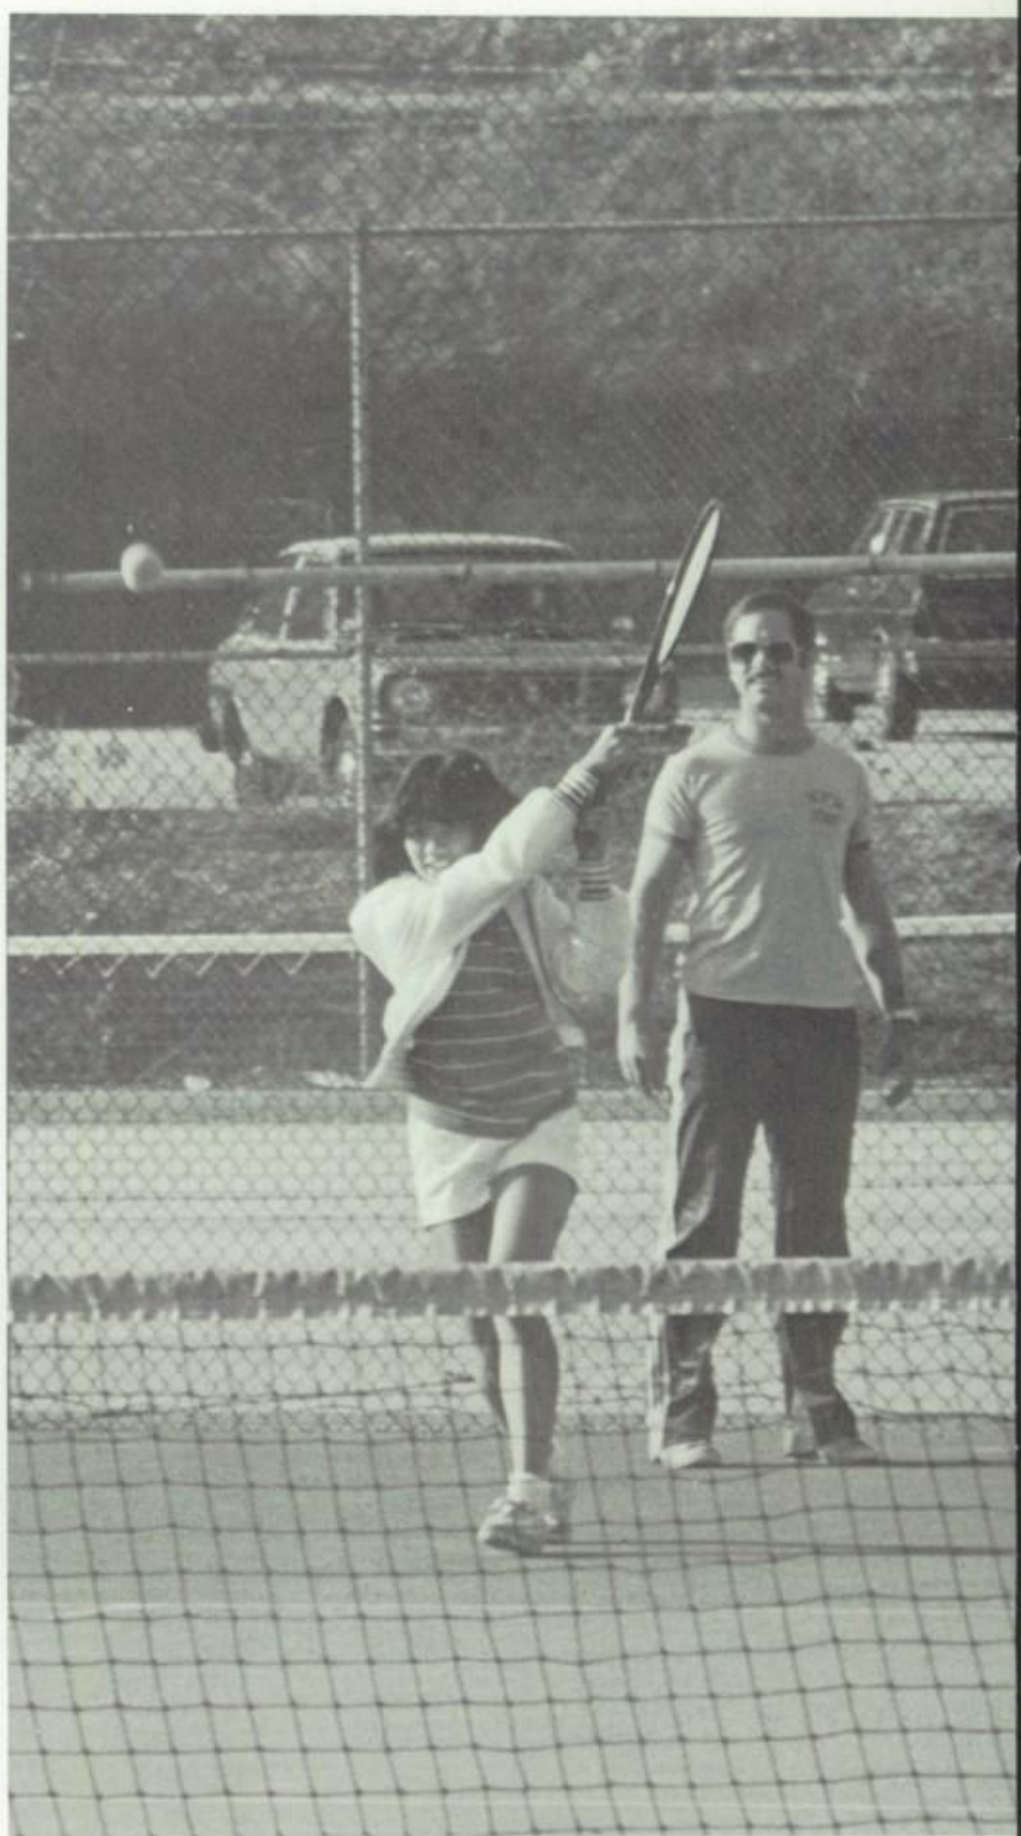

To sum the team up, Fasnacht exclaimed, "The girls work very well together and I am proud of my team because they won all their games except two games against San Gabriel".

Spirits High in Preseason

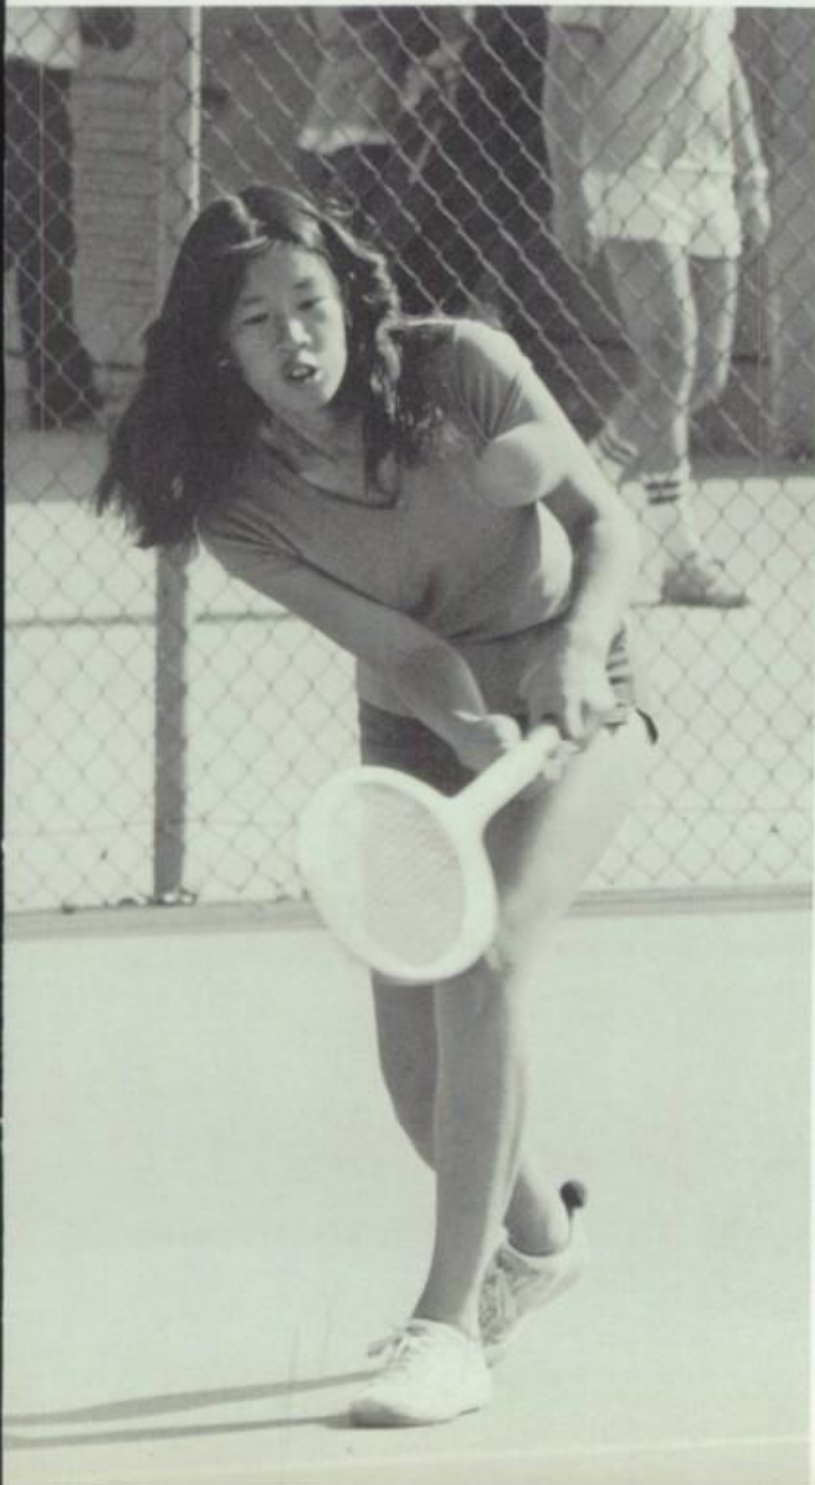

Holding a strong preseason record of 8-1, the netters showed high potential for entering the Foothill League. Despite Alhambra's strong competition in the Foothill League, the netters gave it their all to gain 11 wins and 7 losses overall, leaving them with a league record of 4-6.

Six players qualified for the league finals: Margarita Rono and Michelle Lim played in the singles division; in the doubles division there were two teams comprised of Lee Takasugi, Suzie Lim, Alana Lessin, and Julie Naito.

Three essential players on the team this season were Suzie Lim, Margarita Rono and Lee Takasugi. Margarita, the only freshman on the team, showed skill and ability. During the season, Rono was undefeated in matches with a record of 27-0, ending as league champion in the singles division, and was awarded the Most Valuable Player trophy. Suzie Lim showed the most improvement in her playing ability. And receiving the Coaches' Award was sophomore Lee Takasugi.

Harriers Face New Foes

In a rebuilding season, the Varsity Cross Country Team encountered problems caused by inexperience and a lack of returning lettermen, resulting in a league record of 1-4, and an overall record of 2-6.

Coach Steve Terry commented on the difficulties the harriers faced, claiming that the Foothill League was "much more competitive than we found the Mission Valley League to be." Terry was quick to add that the Mission Valley League did improve this year, and that the Spartans would have had a difficult time in either league. He still felt that "the Foothill League is a more competitive league in terms of all the teams rather than just one."

Despite the disappointing record, Terry remarked, "Everyone is coming back next year except three seniors, and every meet we improved." Among those returning are the two top runners from this year, juniors Mark Bravo and Sal Orozco who posted best times of 16:43 and 17:13 respectively. Bravo, the team captain, displayed his intensity and talent throughout the year and was named the team's MVP.

Racing through a 2-3 league record and 6-3 overall, the Junior Varsity Cross Country Team finished in fourth place in the Foothill League. Inconsistency characterized the team's performance throughout the season. Leading the J.V. harriers were Ernie Fernandez and Eddie de La Loza. "Everybody did a real good job of improving to the point where every meet we did improve, and by the end of the season, we were very competitive," stated Coach Steve Terry.

Ending the season with a respectable 7-2 record, 3-2 in league play, the Frosh-Soph Cross Country Team was the shining star of this year's season. Competing against Burbank, Alhambra, San Gabriel, Burroughs, and Hart, the harriers achieved a second place finish after the last league win over Hart. Notable among the runners were Steve Macias, Abel Orozco, and Pete Contreras, who ran times of 17:27, 18:25, and 18:26 for three-mile treks. Coach Steve Terry felt this team would "provide us with a championship in the near future."

Strategy Aids Cross Country

When at each track meet, the trekkers maintained consistent strategy: The entire squad staying together and behind the pack while their opponents ran hard, gaining speed and distance. As the race progressed, the top seven Schurr runners ran together to pick up the pace, catch up, and hopefully pass their opponents. The large gap that formed between the stronger and weaker halves of the team, common in cross country running, created their only weak point. In order to keep up their stamina in these lengthy meets, the trekkers made sure that the only thing on their minds was the glory of winning.

Although the courses were new and the competition tougher, the Girls' Cross Country Team ended their first Foothill League season with a 5-3 record. The trekkers were led by four top runners: Angie Padilla, Narine Kadekian, Rena Terrazas, and Noriko Okubo.

As the trekkers entered the league finals, the Spartans easily defeated Hart and Burbank by demonstrating these running skills. Padilla and Kadekian were awarded medals for being named second team All-league. As Sandra Gonzalez, a team member, stated, "It was a new kind of challenging experience. We feel confident that we'll meet this challenge in the coming years."

Tradition Kept Alive

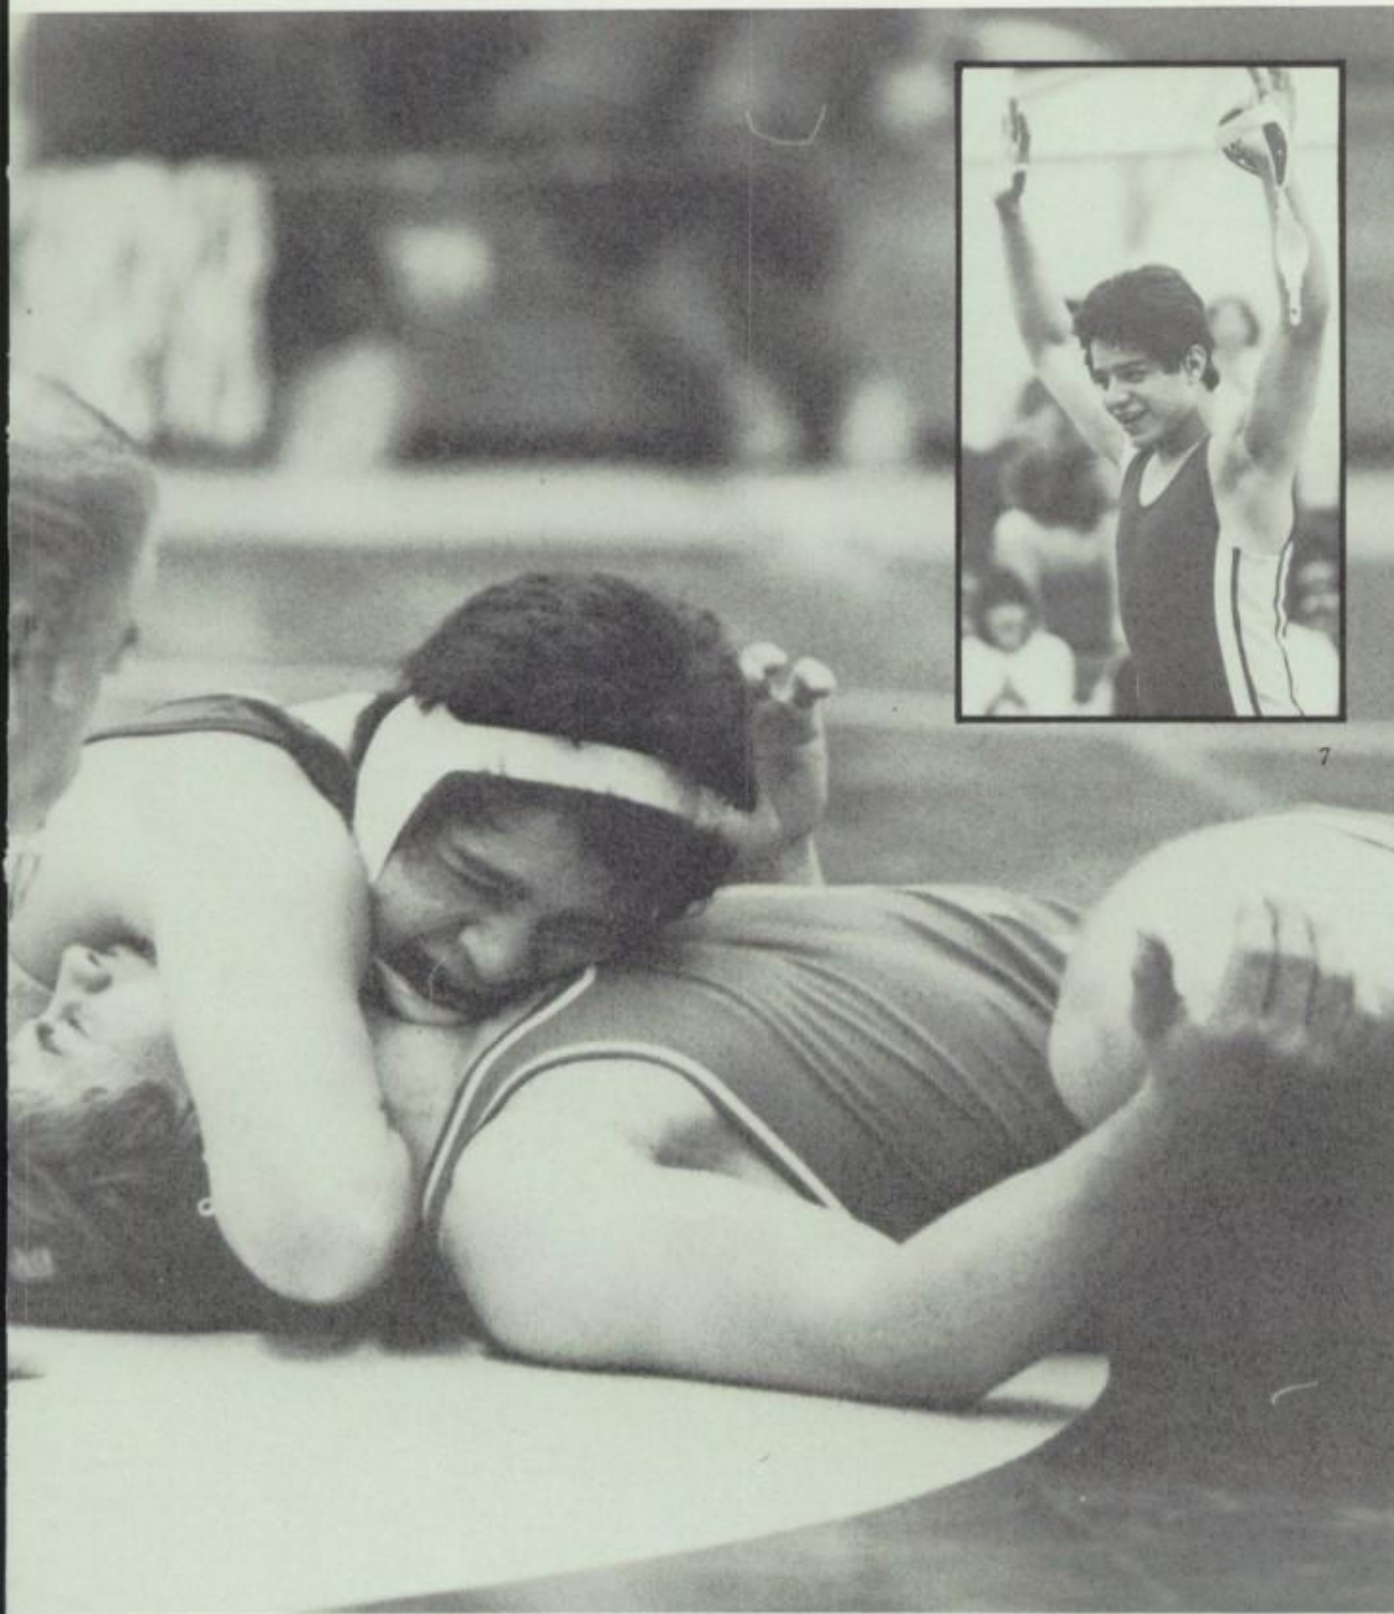

Backed by the superior coaching of Mike Garcia, the Varsity Wrestling Team placed a strong second with a season record of 4-2. Pre-season tournaments at El Monte, Chino, and Santa Fe prepared the grapplers for their successful season. In fact, much of this year's success can be attributed to vigorous training, self-discipline, and most of all, experienced wrestlers.

Although Schurr decisively beat Temple City in their league opener, the injury of Senior Grant Imai in that contest proved to be an unfortunate loss throughout the season. Surprisingly, the grapplers bounced back, edging San Marino and later conquering both San Gabriel and La Canada by a wide mar-

gin. But, due to technical errors, the grapplers lost to a weak South Pasadena team.

This year's wrestlers lived up to past traditions: the lightweights showed most of the team's strength. The talented wrestlers singled out by Coach Garcia were: Rudy Tellez (98), John Castillo (105), Jack Toyama (126), Byron Takeuchi (132), Michael Nishida (138), and Frank Farjeat (167). Medaling at C.I.F. for the first time were John Castillo (2nd) and Michael Nishida (3rd). Coach Mike Garcia was prompt to say, "This is the first year we've had a C.I.F. medalist; the first year to continue at masters; and the first year to participate in the regionals."

J.V. Grapplers Add Numbers

In their first Football League year, the Junior Varsity Wrestling team enjoyed a prosperous season, ending the season in second place with a league record of 5-1 and 11-3 overall. The strength of the team was the ability of a large number of wrestlers to compete, thus producing many winning matches. Leading the Spartan attack were MVP Mando Torres, senior Sergio Tellez, and freshman Alfred O'Neil. Coach Lou Lawrence summed up the J.V. strategy, "Our goal this year was to wrestle as many different opponents as possible. By allowing all of our matmen an opportunity we continued to strengthen our team throughout the season."

Without a league to take part in, the Soph-Frosh Wrestling team played in five tournaments. Participating in the Bonita, Fontana, Covina, and Mayfair tournaments, the Spartans placed in the fifth, third, fifth, and fourth positions. Top wrestlers were Alfred O'Neil (155 lbs) and Robert Rodriguez (heavyweight). The roster of the thirty matmen was the force behind the Soph-Frosh team.

Shakeups Mar Cager's Debut In A New League

The Boys' Varsity Basketball team faced a season hampered by injuries, inconsistencies, and inexperience, ending in fifth place with a 3-7 record in league and 9-14 overall.

With sophomore forward Kevin Kurz out for the season with a toe injury, the

team lost a talented rebounder and leading scorer. In addition, the sudden loss of the Kojima brothers, Darren and Rod placed the Spartans in a precarious situation.

The loss of the three starters set the stage for the emergence of the talented sophomore guards Calvin Cooper (12 points average) and Todd Inatomi (11 points per game and 23 steals). They responded with surprising ball-handling and excellent outside shooting. Veteran forward Eddie Hummel and MVP center Larry Goncharenko supplied the inside shooting and the clutch rebounding. Senior Darrin Montalvo stepped inot the limelight after

Kevin Kurz's injuries and performed a great job at forward. Guard Gregg Lee and Gary Inatomi added their superb dribbling, tenacious defense, and incredible outside shots. The remaining bench of Robert Mecuri, Tony Chavez, Bruce Barry, and Gerald Goodman alternated as forwards and backup centers.

The Spartans opened the year with a preseason record of 6-6. The cagers began league play January 11 by being defeated by first-place Burbank 59-53, then defeating Alhambra 54-49 to even up its record. Victor over last place San Gabriel, 66-54, perhaps gave the Spartans too much confidence because in the next game, against the Burrough's Indi-

ans, Schurr lost 72-62. High scorers in the game were Cooper, Inatomi, and Goncharenko with 22, 13, and 13 points respectively.

A low scoring 43-35 loss to Hart dipped Schurr's league record to 2-3. Goncharenko was the only Spartan to score in double figures with 13 points. The cagers were knocked off again two days later to Burbank 59-53, but the Spartans had better scoring balance against Burbank this time. Cooper led the way by scoring 18 points, while Hummel tallied 13 points and Goncharenko earned 12. Coach Tommy Thompson talked about the two losses: "The cause of the earlier losses was we

were not as strong defensively as we'd been in the past."

The Spartans faced the Alhambra Moors at home again, anticipating a sweep, but this was not to be. The game saw the lead exchange hands in the closing minutes until the Moors pulled out the heartbreaking win 60-59. This was the fourth consecutive loss for the varsity cagers who saw their league record fall to 2-5 and 8-11 overall. Leading the scoring against Alhambra were Goncharenko with 22 points and 12 rebounds and Inatomi with 18 points. Finishing the season by playing the Hart Indians, Schurr started all the seniors, a nice gesture by Coach Thompson.

However, the Spartans could not muster up a rally and were handed the short end of the stick, 81-61. Leading the Spartans were Larry Goncharenko with 21 points and Inatomi with 8 tallies.

The Foothill League was definitely a stronger league than the Mission Valley League. Forward Robert Mecuri summed up the season, "The Foothill League was a much tougher league with taller and stronger players. We just choked without the three starters." The inconsistencies and injuries hurt their chances of making the playoffs for the 6th straight year; however, with the return of the four sophomores next year, the Spartans should be a team to beat.

Hokyo's Bench Elbows in Too

Behind Coach David Hokyo, the Boys' Junior Varsity Basketball team compiled a league record of 4-6 and 14-10 overall. The early promotion of guard Calvin Cooper and forward Gerald Goodman to the varsity basketball team elevated the playing time of everyone on the team. The starting five of the guards, Mike Ponce and Scott Takahashi, forwards David Guereña and Dean Oyama, and center Paul Torres all contributed immensely with their offensive and defensive plays. Dwayne Preston and Gary Ogasawara helped off the bench all year long. Bill Blohm, a junior and first year player, came on late to contribute considerably. Coach Hokyo said, "The Foothill league was a harder league than the Mission Valley league with the quicker and larger players." The ability to win all their league games on the home court and playing a team game were the strengths throughout the season. The cagers won their last game against Hart, 59-50 to cinch fourth place in the Foothill league.

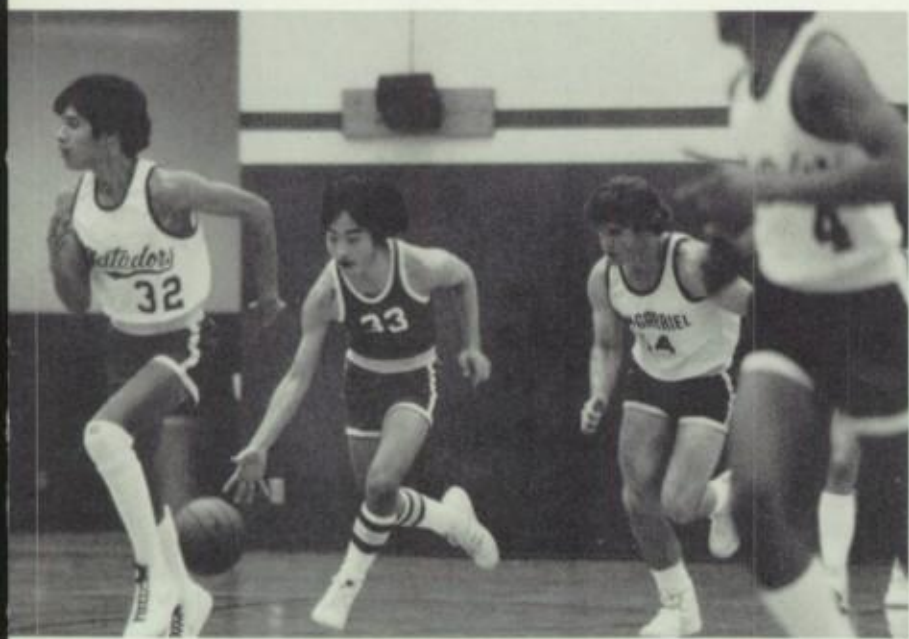

Frosh on Top

With good defense by Dean Inouye and a great offense by both Inouye and Hubert Turner, the Freshman Basketball Team came in first place in the new Foothill League. A key to the title was the clever coaching from the sidelines by Coach Bruce Vlink.

The frosh's biggest triumph was over highly-rated Hart, 57-51; Hubert Turner and Dean Inouye earned eighteen points each. The M.V.P. Award was given to Hubert Turner.

Sophs in Rut

The Sophomore Basketball Team was plagued by a disappointing league record of 0-8 and 4-14 overall. The Spartans never seemed to get out of the losing rut established in their first league game against Burbank (53-39).

The team's weaknesses were inexperience, lack of height, and turnovers in the final minutes of each game.

Guiding the sophs were the five starters: guards Darrin Tashima and Dan Imamura; forwards Jeff Kunishima (MVP) and Jon Kawaharada; center Nick Arelano.

Of the team, Coach Julian Olague stated, "We never gave up fighting against the tougher opponents throughout the season."

The Magnificent Ten Rule

The varsity was optimistic going into league, but literally came up short. The Girls' Varsity Basketball Team placed second in the Foothill League, behind the first place skyscrapers of San Gabriel. At a height disadvantage, there was nothing SHS could do but try to stop San Gabriel from feeding their 6'3" center the ball in the key. Although the Varsity played a tight defense, the battle under the boards was won by San Gabriel.

Placing second in league gave the Varsity team a berth into the first round CIF play-offs in Santa Maria. Asked about CIF's first game Terry commented, "It's a long bus ride. I don't know what to expect from our opponent, Santa Maria, and we will be missing our starting guard, Janine Okada. I am optimistic; our team looks better on paper, but to play, We'll just have to see," added Terry. And see they did! Our Varsity team came home with a smashing Victory. Their win over Santa Maria led them to their second CIF game against Burrough's Ridge Crest, but the Santa Maria scenario changed, and the Spartan gals got nudged out. "It was a close game; they had a few breaks, but they had the last breaks," commented Terry after the 50-47 loss.

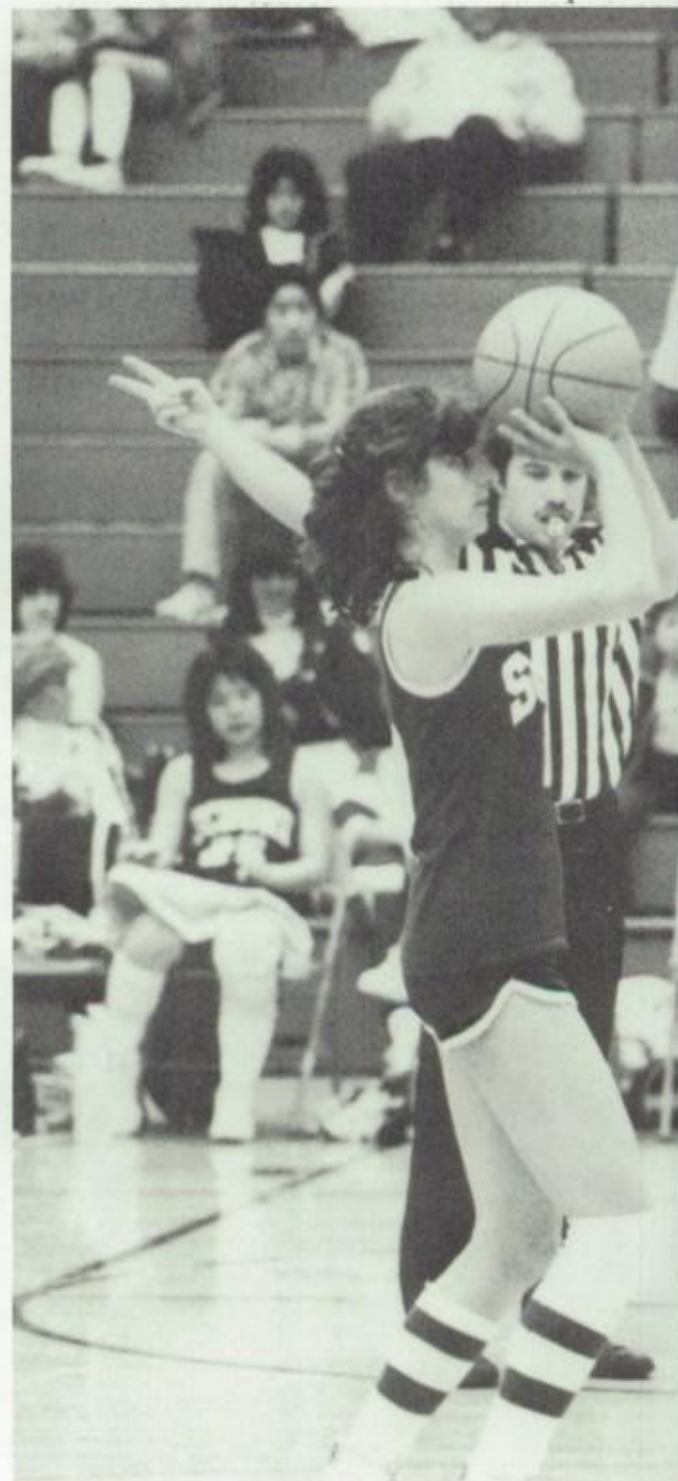

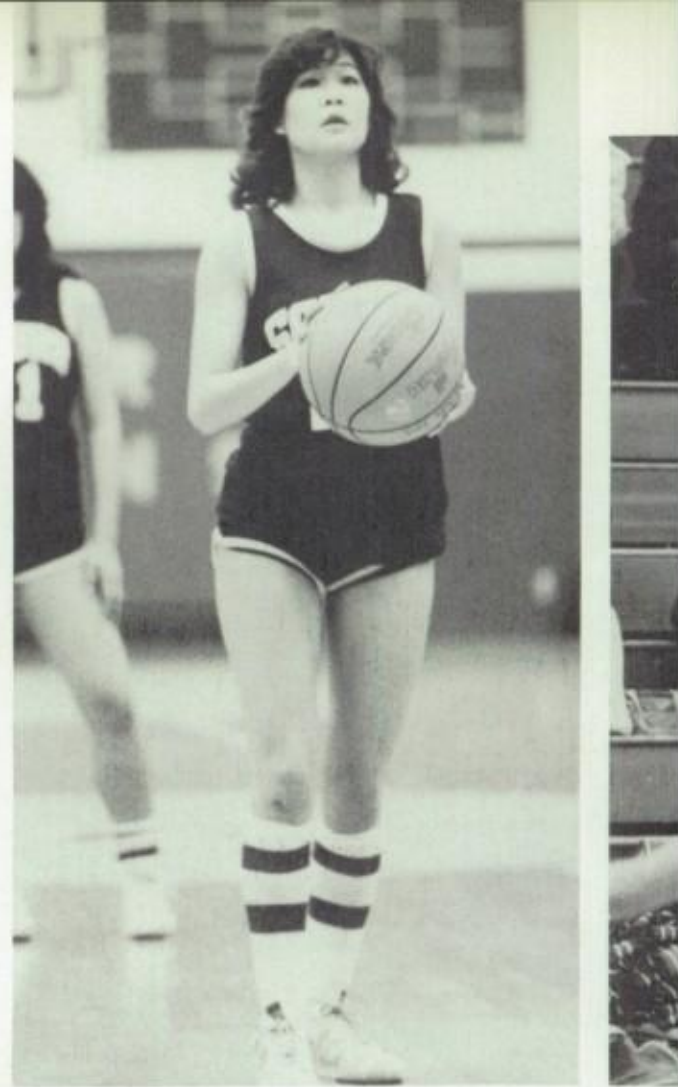

Awarded for her all around skills was Most Valuable Player Vickie Sill, who also received the Senior Scholar-Athlete award, and All-League. In addition, she became candidate for the Margaret Wade award for scoring over 1000 points in her varsity career. Other teammates awarded were senior Bobbie Montalvo, Most Improved: senior Lorie Iwai, Most Inspirational; junior Letty Tanaka, All League; Undergrad Scholar Award went to Amy Kokubu, and Best Defensive Player was Janine Okada.

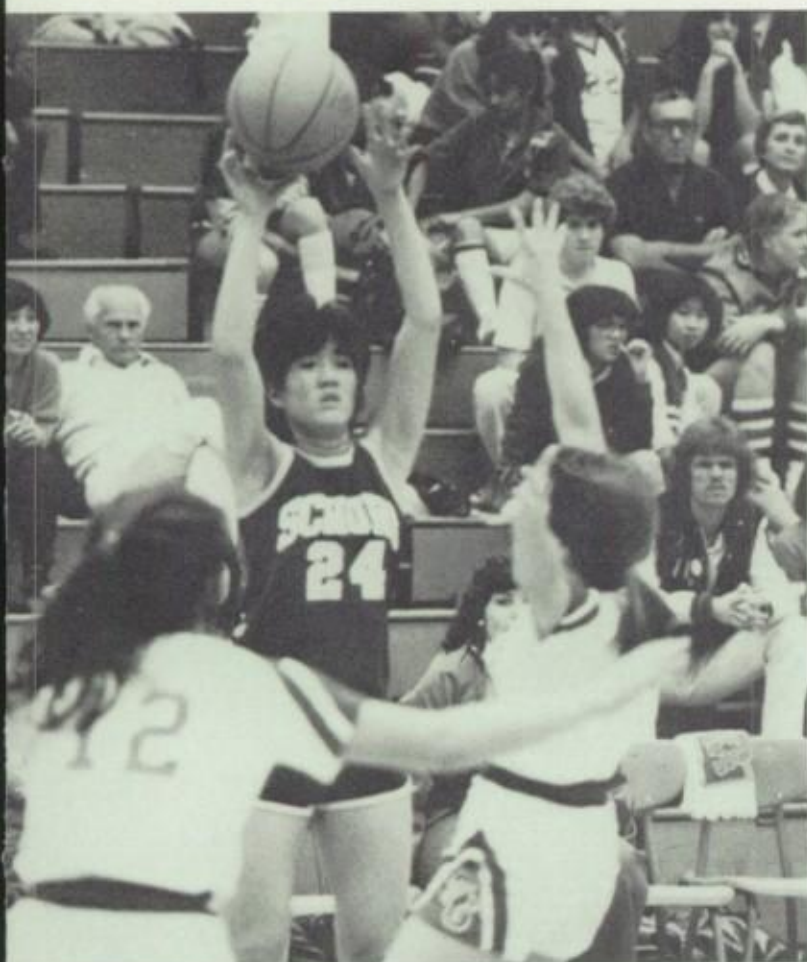

Giving up their summer days and many trips to the beach, the Girls' Varsity Basketball players spent much of their summer practicing and competing in a summer league which SHS hosted. Although they didn't take first place, they set up a nice league and got in practice for the Christmas Tournament.

Pre-season came and the triumphant varsity exploded with energy. Their razzle-dazzle and teamwork won them game after game. Finally getting their momentum together, the varsity was almost unbeatable. The cagerettes ended pre-season with a 12-1 record, "Which is the best pre-season an SHS team has ever made". exclaimed coach Terry.

Dream Team Does It Again

Good defense and quick, aggressive hands led the Girls' JV Basketball Team to a 9-1 record. Beginning the Foothill League with an untarnished pre-season, the JV's did a miraculous job of defending their previous championship title, having their only defeat dawn upon them in their second-to-the-last game against the tall timber of Burroughs.

Unlike the varsity team, hand-picked by Coach Terry, the JV's had to try out. Only thirteen girls were chosen out of more than fifty hopefuls. These girls were chosen for their talent in teamwork, passing, shooting, and aggressiveness. Their daily two-hour practices consisted of running, dribbling and fast-break drills.

But hard work and determination were not the only keys to the JV's championship victory. Their many victories were due to their talented, soft-spoken coach Susie Iwami. Iwami was the glue that pulled all the team members together. Analyzing the assets of her team, Iwami knew just how and when to use each and every player. Asked how she felt about her coach, Iwami, Young stated "An outstanding coach! She definitely knows basketball. She's very smart and definitely destined to be a great coach." Teammate Nancy Akatsuka also commented, "She tries to play all of us equally. She doesn't depend on certain people and she is very fair."

Not So Short

Sallie Fujii, who had kindly volunteered her time to coach the new team, selected eleven girls based upon their court-sense and basketball fundamentals. Commenting on the team, Fujii denoted their weak points as being "short on height and motivation." But what the Soph/Frosh Team lost in height and motivation, they gained in quickness and teamwork.

Having an 8-2 overall record, the Soph/Frosh team placed second in the league, just behind undefeated Burroughs. With Valley Christian having only a Varsity and JV team, our Soph/Frosh girls were forced to play against a JV team, but outscored them 28-25 in the first game and trounced them 23-15 in their second encounter.

Makin' Tracks

For the 1983 season, the Spartan Varsity Track Team's pre-season record of 2-1 was very encouraging to Varsity Coach Bruce Vlink. Concentrating on keeping depth in all of the areas, the tracksters managed to do everything possible to "... run fast, jump high and most of all, to work hard" said Coach Vlink.

A few of the many fine team members displaying their talents were: in the high jump, Mike Petez and Bill Blohm; in the long jump, Chris Perez and in the 100-yard dash Victor Navarro.

Using depth and youth to their advantage, the Girls' Varsity Track Team for the 1983 season was squad with a great deal of power and influence.

Coach Bruce Vlink realizing the talent of his girls commented "... they're fast, high jumpers and very hard workers ... they play fair too." Vlink continued, "We have many talents — best of all, we work as a team!"

The girls encountered little competition in their pre-season as they finished with an outstanding record of 3-1.

Perfect Team

As the Frosh/Soph Track Team strived for more depth in all areas as a team, first they perfected their individual talents. In each event there was an outstanding team member. For shot put, this person was Jerry Candelaria; for high jump, Randy Chew; for sprinting, Roger Tafoya, and for long distance, Abel Orozco.

The biggest advantage the Frosh/Soph team had is that they were composed of many members. The more members on a team the greater variety of skill there is to compete against opposing teams. As Coach Vlink said, "Individual talent doesn't mean a thing if you can't work together as a team."

One-Point Wins

Despite last year's difficulties, Coach Chris Haggerty managed to put together an outstanding softball team this year. The gals were matched against tough competition, such as the highly touted Temple City — in first place three consecutive years.

With long practice hours and strong players such as Natalie Johnson and Irene Felix, the determined team won close victories, several by only one

point.

With strong hitters such as Monica McAllister, Rosy Diaz, Tina Mazan, and Vikki Sill, the softball squad was able to overcome its topnotch competition in early season play.

Coach Haggerty commented about her team, "I am impressed with the team's improvement, in their attitude toward each other, and their professionalism in the game."

Gymnasts Up-Stage Keppel

Looking forward to an extremely competitive season, the gymnasts nevertheless faced vigorous practices with enthusiasm. Led by returning seniors Jodi Takeuchi and Maria Santos, the first pre-season match against Marlborough was easily won. However, Schurr, in a transitional state of rebuilding, was unsuccessful in capturing a victory over Lakewood. Nevertheless, the gymnasts opened the Foothill League with a decisive victory over Keppel.

Rain Dampens Pre-Season

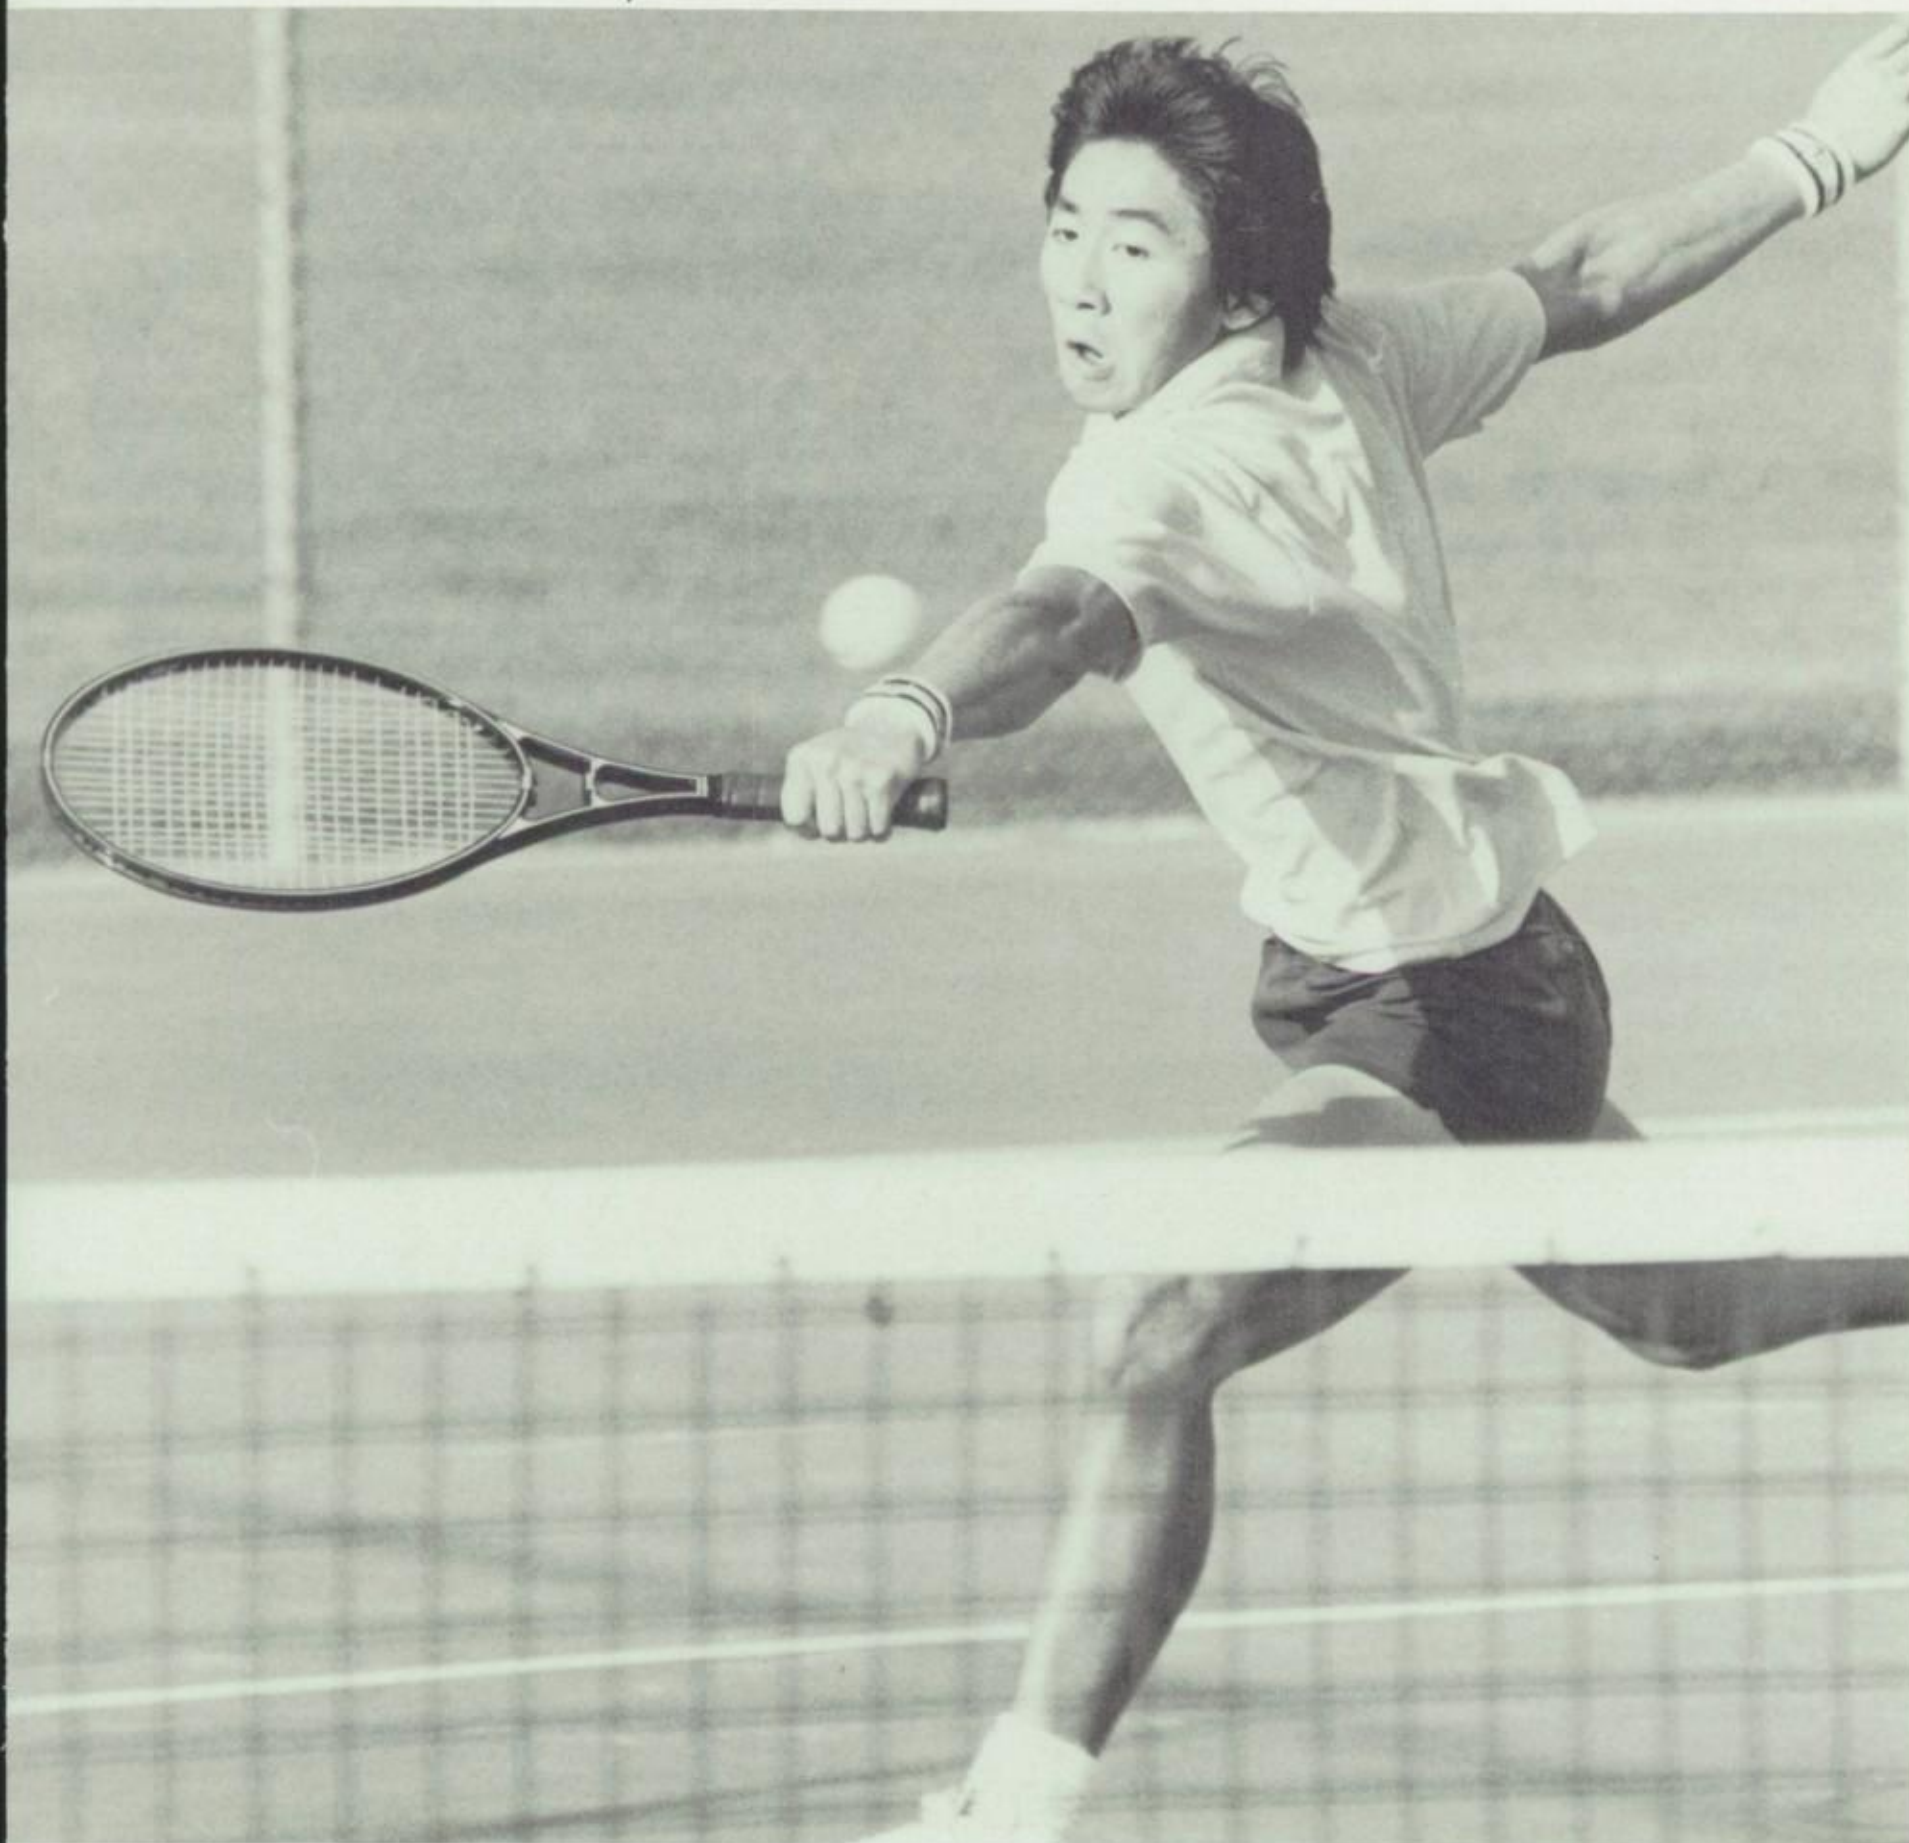

This year the Varsity netters had a tough pre-season with four losses and two wins. Due to record rain, many league games were postponed, but good weather held up long enough for the netters to defeat Alhambra 17-10 and Hart 17-7.

Coach Glenn Sewell said that the strategy for his team was to put people together at doubles who could get along and compliment each other. Also, when they played a team that had their best player at singles or doubles, the Varsity netters took their best players and played

them opposite the opposing team's best players.

The Varsity netters were a young team and lacked varsity experience. The players realized this and didn't expect a lot, so they played relaxed.

The outstanding players on the team were 1st singles Joon Choi, 2nd Singles Sean Suzuki, 3rd singles Gene Ching, 1st doubles Steve Acevedo and Richard Eng. Coach Glenn Sewell commented this about his team, "We have the capability of winning the Foothill League Championship, but we have a long way to go."

Rookie In-herits Vets

Under the tutorship of the first year Coach Brett Dawson, the Boys' Junior Varsity posted an overall record of 4-2 and Foothill league (0-1), beginning the season on a bright note that came at the hands of La Serna (25-3), Rosemead (20½-4¼), Bell Gardens (23-5), and Walnut (15-13).

Leading the netters were top singles players Andy Nieto, second position Woo Kim, followed by the third and fourth spots of Chris Rojero and Eymand Laureano. The top doubles team of Peter Sen and Glen Toy were supported by the pairing of John Byeon and Tim Moreno.

Experience and depth were the strengths of the Junior Varsity, which should place the Spartans in the top three teams in the Foothill League.

Okuno's Arm J.V.'s Weapon

Behind Coach Sandy Santiago, the Junior Varsity Softball Team sported an overall record of 1-4 and 0-1 in early Foothill League play. Guiding the young team were junior catcher Dennis Ige (.310 batting average) and freshman pitcher Jennifer Okumo (.306 batting average and one shut-out). Sacrificing runners and stealing bases was the main strategy, but inexperience and mental errors were the undermining factors of the J.V.'s. However, Coach Santiago redeemed the team by saying, "I feel the team will play up to their potential and win games for us."

In the game against Montebello, the Spartanettes trounced the cross-town rivals 15-0 behind the masterful arm of Okuno (a complete game and 11 strikeouts).

A Short Supply of Seniors

With only two starting seniors on the fifteen man roster, the Spartan Varsity Baseball team was faced with an inexperienced young group of ball players. The Spartan preseason ended at 3-1 and 0-2 in Foothill League play. The two league losses were to Hart and Alhambra by the scores of 2-0 and 7-4. In the Hart game, junior pitcher David Padilla hurled an excellent six-hit game with ten strikeouts in six innings, but was overshadowed by the Hart pitcher with a better performance by a two-hitter and eight strikeouts. Walks and a comedy of errors proved the Spartans' downfall with the Alhambra Moors. The Moors scored six runs in the

first inning and never looked back despite a four-run rally by the basemen.

The returning lettermen Coach Don Hill is relying heavily on are catcher Rene Aguilar, pitcher Mark Madrid, pitcher-infielder David Padilla, infielder Louie Gallegos, and centerfielder Andrew Padilla. The two teams the Spartans will challenge for the Foothill title are the Hart Indians and Alhambra Moors. "Rene Aguilar and Andrew Padilla are the players I am counting on for the period of the season to uphold the positive attitude of the team's winning ways," commented Coach Hill.

No Defense

With a lack of good defense, the J.V. squad had to count on the strong offense that scored forty-two runs in only seven games. The team's two most commanding wins were over Alhambra (8-3) and Burbank (7-5).

With some games cancelled by rain, the Freshman Baseball Team had a slow starting season. The offensive team had to depend on third-baseman Gus Martinez, the power-hitting on the team, and the pitching arm of Genaro Suarez.

Trio of Vets May Hold Title Key

With three returning lettermen, the Varsity Golf Team had an early Foothill League record of 0-1 and 3-2 overall. Leading the linksmen were senior Richard Armenta, Juniors Dave Smith and Jack Bernal with averages of 70 strokes per game. Maturity and learning to play with one another problems of the team this year. "We're going to win the Foothill League with ten straight victories," commented Richard Armenta. In a losing league game against Burbank, the golfers tallied a score of 214-215.

I LOVE YOU
When I started out the way

wasn't clear, there was much confusion and a lot of fear. Walking in the shadow, searching for the light, to be the me that I could be that would make it right. So now I take this opportunity to say "thanks" to all my very, very special friends who laughed when I laughed & who cried when I cried. **GARY, ROB, NORM, WAYNE, VICKIE**, your all very special to me because you guys were there when I needed you most. May the best come to all of you in your futures. And to all the new friends I made this year, **SHERYL, GABBY, NATALIE**, & the rest. Your all great people! Now we must journey to a new and challenging place, where we will find our dreams wrapped in a simple puzzle that we must solve. **JON, BRYAN, LEONA, BOOBI**, & all the very lovely ladies who took an interest in the clothes I wore. Thanks for all the compliments LADIES! J&B good luck in your endeavors. I wish I had more space to say "hello" to all my friends, but that's the breaks! Party People don't get to all the meanest & greatest guy I know, my brother **Darren**. "The hidden hand deals just love." **SPARTAN #1** one round & the winds of change prevail! **ROD** headed to **BOSTON**

To Nick,

A really nice guy that I'm
really glad I met. You're one of
the friendliest persons I know. I
think it's great that you have so much
love inside you. You're a very loving
person & that's what makes you
special & one of a kind. I think
you're a beautiful person. Stay
the way you are or I'll never
talk to you again (just kidding)
